

Hellooooo

I'm writing to say hellooooo from Ollie the Owl and hello from Bank of Ireland. Save the small things, like Ollie, and the big things will come to yoo-hoo. Here are a few pieces to help you on your savings journey. You will find an Ollie savings poster, colouring activities and an origami game to play with friends, to name just a few. There are also some savings tips for you to follow.

Ollie is really pleased to have you as a new savings friend.

Ollie the Owl Saving Tips

- ▶ **Think of something you'd like to save for**

What reward would you like to use your savings for like a new bike, for example. Remember this when you are putting your money away to save.

- ▶ **How long will it take?**

Ask an adult to help you figure out how long it will take you to save for your reward.

- ▶ **Where will the money come from?**

You could get a gift of money from family for your birthday or even Christmas. You could also ask your parents/guardian if there are regular chores you could do for an allowance or pocket money.

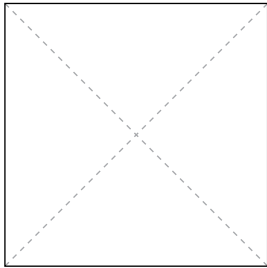

- ▶ **Investigate**

If you decide to spend some of your savings or pocket money, keep the receipts. At the end of the year you can investigate where your money went. If you didn't reach your goal, your parent/guardian might help you understand where your money was spent.
