- It was supplied to us when you have purchased an insurance product or service that is provided by us in partnership with other companies.
- It was lawfully collected from other sources (e.g. the Integrated Information Data System ('IIDS')) to validate information you have submitted to us such as driver number and penalty points.
- Vehicle history check suppliers/databases.
- Through credit checks.
- Through a database to determine address based risk factors (known as geocoding)
- Searches of publicly available information (e.g. online).
- The Insurance Link Anti-Fraud register (for more information see www.inslink.ie) and other insurers.
- Other fraud prevention databases available in the insurance industry.

4. Will RSA share your personal information with anyone else?

We may share your details with a number of external parties in order to administer your policy, handle claims and to prevent and detect fraud. For example:

- Your Intermediary & anyone authorised by you to act on your behalf.
- Our Third Party Service Providers such as technology suppliers, hosting/storage providers, payment providers and document providers.
- With other companies within the RSA Insurance Group.
- The Insurance Link Anti-Fraud register (for more info see www.inslink.ie) and other insurance companies.
- Loss Adjusters, claims investigators, repairers, medical practitioners, solicitors and other firms as part of the claims

handling process.

- Surveyors.
- Private Investigators when we need to further investigate certain claims.
- Other fraud prevention databases available in the insurance industry.
- With prospective sellers or buyers in the event that we decide to sell or buy any business or assets.
- Our reinsurers.

We may also share your personal information as a result of our legal and regulatory obligations. This can include with An Garda Síochána, other official agencies and on foot of a Court Order or Subpoena.

In order to provide you with the insurance policy, we may share your information with our service providers and on occasions, some of your personal information may be sent to other parties outside of the European Economic Area (EEA). We would only do this in compliance with the appropriate legal and technical safeguards such as the standard data protection clauses adopted by the European Commission, Binding Corporate Rules or as a result of an adequacy decision of the European Commission

5. Which decisions made about you will be automated?

Before we can sell you an insurance product or service, we may conduct the following activities, which involve automated (computer based) decision-making:

- **Pricing and Underwriting** – the process calculates the insurance risks based on the information that you have supplied. This will be used to determine if we can provide you with a policy and to calculate the premium you will have to pay.

The results of these automated decision-making processes will limit the products and services we may be able to provide you. If you do not agree with the result, you have the right to request human intervention to allow you to express your point of view and contest the decision.

Data Protection Notice

6. For how long will RSA keep your information?

RSA Information submitted for a quotation may be retained by us for a period of up to 15 months from the date of the quotation. All information in respect of a policy (to include claims on the policy) will be held for 8 years after the ending of the client/insurer relationship to ensure we meet our regulatory obligations. We will retain call recordings for 8 years from the date of the call.

There are certain policies where we need to keep data for longer than the normal periods where we may receive claims where the claimant was not aware of the injuries until a long time after it was caused.

7. What should you do if your information is incorrect?

If you think that the information we hold about you is incorrect or incomplete, please contact your intermediary or contact us and we will be happy to rectify it for you.

8. What are your rights over the information that is held by RSA?

We understand your information is important to you, therefore you may request us to undertake any of the following actions:

- 1 Provide you with a copy of the personal information we hold about you, in a commonly used electronic format (or hard copy if you wish).

- 4 Request that we restrict the use of your information by us.
- 5 Object to the processing of your data. If you would like to request any of the

above, please email us a request to **ie_dataprotection@ie.rsagroup.com** or write to us at the address contained in Section 10. To ensure that we do not disclose your personal information to a party who is not entitled to it, when you are making the request please provide us with:

- Your name;
- Address(es);

All requests are free of charge although we reserve the right to charge an administrative fee for subsequent requests (such as when the request is part of a series of repeated requests over a short period of time). We endeavour to respond within one month from receipt of the request. If we do not meet this time frame, we will explain why this was in our response.

Please note that simply submitting a request does not mean we will be able to fulfil it – we are often bound by legal and legislative law which can prevent us fulfilling some requests in their entirety, but when this is the case we will explain this to you in our response.

Requests to restrict the use of your information or to object to the processing of your data may lead to RSA being unable to continue to service your policy and therefore lead to cancellation of your policy.
