

Notice to Bank of Ireland Personal and Business Current and Demand Deposit Account Holders.

We would like to advise you of the following addition to your Account Terms and Conditions effective from 12 March 2018.

We will provide you with a statement of transactions on your account at least monthly or as often as we have agreed with you, except where (during the relevant statement period) you have carried out less than 4 transactions, or your account balance is at all times between €0 and €20. In such circumstances, your statement(s) will not issue but will be available on request. We will always provide a statement at least annually.

We would also like to remind you that where we notify you of any changes to Terms and Conditions that you do not wish to accept, you may, subject to clearing any overdrawn balance and/or fees due, close your account or end your service without charge. If you do not notify us that you wish to close your account or end your service, you are deemed to have accepted the changes on their effective date.
