

Notice to all Bank of Ireland Personal and Business Current Account customers

We have now completed the automatic replacement of our customers' Laser and Cirrus cards with Visa Debit cards.

For security reasons we could not automatically replace Laser and Cirrus cards in certain circumstances, including but not limited to the following:

1. Where correspondence has been returned marked "gone away".
2. Where customers advised us not to send them correspondence.
3. Customers who we have been unable to contact and who have not used their card within the last 12 months. These cards will be cancelled no later than the 10th December 2012.

If you are a Laser or Cirrus cardholder and have not received a replacement Visa Debit card for any reason (including the examples above), please contact your local Bank of Ireland branch or call Bank of Ireland 365 on 0818 365 365 and we will be happy to assist you.

If you have received a Visa Debit card and have not yet activated it, please remember that your existing Laser or Cirrus card will be cancelled 2 months after your Visa Debit card has issued.
