- 4.2. We let you know how to register for our SEPA transfer services. We can change the way you register for these services at any time.
- 4.3. We keep a record when you register to make SEPA transfers and when you instruct us about this type of payment. You agree that our records are good evidence of your registration or instruction (unless it is clear we made a mistake). You also agree we can assume any registration or instruction comes from you.
- 4.4. You cannot use the SEPA transfer service to transfer money from any loan or credit card account you have with us or one of our subsidiaries.
- 4.5. If you use the SEPA transfer service to pay money into a loan account or credit card account you have with us, you agree that you must contact us to establish the correct balance on that account. You cannot rely on your own calculations.
- 4.6. Maximum transaction and daily limits apply to the amount you can pay from your Account in any Banking Day using our SEPA transfer service. We can change these limits at any time. Details of the current limits are available when you use the service.
- 4.7. If you instruct us to carry out a SEPA transfer on a future date, it is a "Future Dated

Payment”. We will process any Future Dated Payments on the date you give us. If it is not a Banking Day, we will process it on the next Banking Day. If you instruct us to make two or more Future Dated Payments for the same future date, we will process them in the same order in which you gave us the payment instructions. If, for any reason, we are unable to process a Future Dated SEPA transfer, we will notify you within the Payments Pending section.

- 4.8. We accept payment instructions at any time. If you give us a payment instruction to pay money from your Account, we treat the payment instruction as given on the Banking Day (“D”) on which we actually get it, so long as it is received by us before 3:30pm (the Cut-Off Time for SEPA transfers). If we receive it after 3:30pm it will be treated as received by us on the next Banking Day. If the payment is in euro and PSR-regulated we will ensure the payee’s bank is paid within one Banking Day of D.
- 4.9. The financial institution where the Designated Account is held controls payment into that account. We are not responsible for that.

You agree that all instructions, other than instructions for Future Dated Payments, are, subject to relevant Cut-Off Times, considered to be instructions for immediate processing, and are considered irrevocable. Instructions for Future Dated Payments are deemed irrevocable at midnight on the Banking Day prior to the Banking Day upon which the Future Dated Payment is scheduled to be processed. You can ask us to cancel or amend any instruction, but we may not be able to do so. We will have no liability to you in respect of any such request to cancel or amend a previously issued instruction where we are unable to do so.
- 6.5. If we receive an instruction that does not have the information that we need to identify the Designated Account, for example IBAN and BIC, or Account Number and Sort Code, we may refuse to process it. We will tell you if we refuse to process an instruction for this reason. We will not be liable to you or anyone else if that results in any loss or expense.
- 6.6. We can refuse to process an instruction if you do not have enough money in your Account (or enough unused agreed overdraft limit on your account) to make the payment. We will not be liable to you or anyone else for any loss or expense this causes.

- 19.5. You cannot use the international (non SEPA) transfer service to transfer money from any loan account or credit card account you have with us or one of our subsidiaries.
- 19.6. If you use the international (non SEPA) transfer service to pay money into a loan account or credit card account you have with us, or one of our subsidiaries, you agree that you must contact us, or our subsidiary, to establish the correct balance on your loan or credit card account. You cannot rely on your own calculations.
- 19.7. Maximum transaction and daily limits apply to the amount you can pay from your Account in any Banking Day using our international payment service. We can change these limits at any time. Details of the current limits are available when you use the service.
- 19.8. We accept international (non SEPA) transfer instructions at any time. If you give us an international (non SEPA) transfer instruction to pay money from your Account, we treat the international (non SEPA) transfer instruction as given on the Banking Day ("D") on which we actually get it, so long as it is received by us before the Cut-Off Time for that international payment. If we receive it after the Cut-Off Time it will be treated as received by us on the next Banking Day. If the payment is in euro and PSR-regulated we will ensure the payee's bank is paid within one Banking Day of D. If it is a cross-border payment in Sterling or another EEA currency (non-euro) we will ensure the payee's bank is paid within three Banking Days of D.
- 19.9. If the international (non SEPA) transfer is not PSR regulated, we may take more time to pay it to the payee's bank.
- 19.10. The financial institution where the Designated Account is held controls payment into that account. We are not responsible for that.
- 19.11. If we need to convert one currency to another to carry out your instruction, we will use our foreign exchange rates. We will tell you what they are when you give us your instruction.

- 20.2. When you register with us for this service, we will ask you for certain information, for example your phone and/or account number with the mobile phone service provider. We will send this information and your payment to your provider whenever you use this service.
- 20.3. We will keep a record when you register for our mobile top up service and when you give

- 20.4. When you register for the service, you must ensure you give us correct information. We will not be responsible for any incorrect payments made if the information you give us is not correct. If we make a mistake, we will correct it and restore your account to the way it would have been if the mistake had not been made.
- 20.5. Your mobile phone service provider controls the addition of value to your mobile phone account. We are not responsible for that. We are only responsible for ensuring that your provider is paid as you instructed.
- 20.6. If you have any query or are unhappy with the service being provided by your mobile phone service provider, please contact them. We have no responsibility for that service.

- 21.3. If you wish to cancel a standing order or standing order payment, you must instruct us by close of business one Banking Day before the payment is due. If your instruction arrives later than that and we make a standing order payment which does not comply with your instruction, we will not be responsible for any loss or expense caused to you or anyone else.

- 22.2. Once an account is registered for eStatements, you will no longer receive paper copies of certain documents or statements for that account. Your eStatements will be provided at the same frequency as current paper documents and statements. If you request a paper copy of an eStatement a duplicate statement fee may be applied.
- 22.3. eStatements can be viewed, saved or printed in PDF format. When accessed the PDF will open in a separate window and will not time out. It is your responsibility to view the eStatement in a safe and private place and to close the window when finished viewing the eStatement.
- 22.4. eStatements will be stored by us and accessible by you for a period of seven (7) years from the date they become available. You can at any time during this period download, or print and retain, a copy of the eStatement. If, however, you close an Account with us, or terminate this Agreement, the relevant eStatements will no longer be available, and you should download or print any eStatements required prior to closing any Account or terminating this Agreement.
- 22.5. We will notify you, using your selected mode of notification when a new eStatement is available, either by the mobile phone number or email address supplied at registration. It is your responsibility to update your mobile phone number or email address if they change.

- 22.7. You agree that any obligation to provide you with documents or statements in these terms and conditions or your Accounts terms and conditions, or any other terms and conditions agreed between us, shall be satisfied by the issuing of the relevant eStatement, and that any reference to documents or statements in these terms and conditions or your Accounts

terms and conditions, or any other terms and conditions agreed between us, shall include a reference to eStatements as the reference so requires.

- 22.8. The provisions of Section 9 of these terms and conditions DO NOT apply to any account balance, or transaction details, provided via this eStatement service, and any account details provided via eStatement may be considered as conclusive evidence of the state of your account.
