

Suitability Statement

Important Notice – Statement of Suitability

This is an important document which sets out the reasons why the product(s) or service(s) offered or recommended is/are considered suitable, or the most suitable, for your particular needs, objectives and circumstances.

Thank you for your recent home insurance application.

This document is a 'Statement of Suitability' that we must give you under the Consumer Protection Code.

This is an important document; however, it does not imply approval of home insurance by us.

Household insurance provides you with protection in respect of exposures, subject to the policy terms and conditions, and is comparable with other products available from the insurance market.

We believe that this product is suitable to satisfy your needs and objectives for insurance requirements based on the information you have provided us with. Furthermore, you have given us no information about your personal circumstance which would make us believe this product is not suitable for you.

Home Insurance policies are arranged by Bank of Ireland Insurance Services and underwritten by Intact Insurance Ireland DAC and FBD Insurance plc.
