A new way to pay

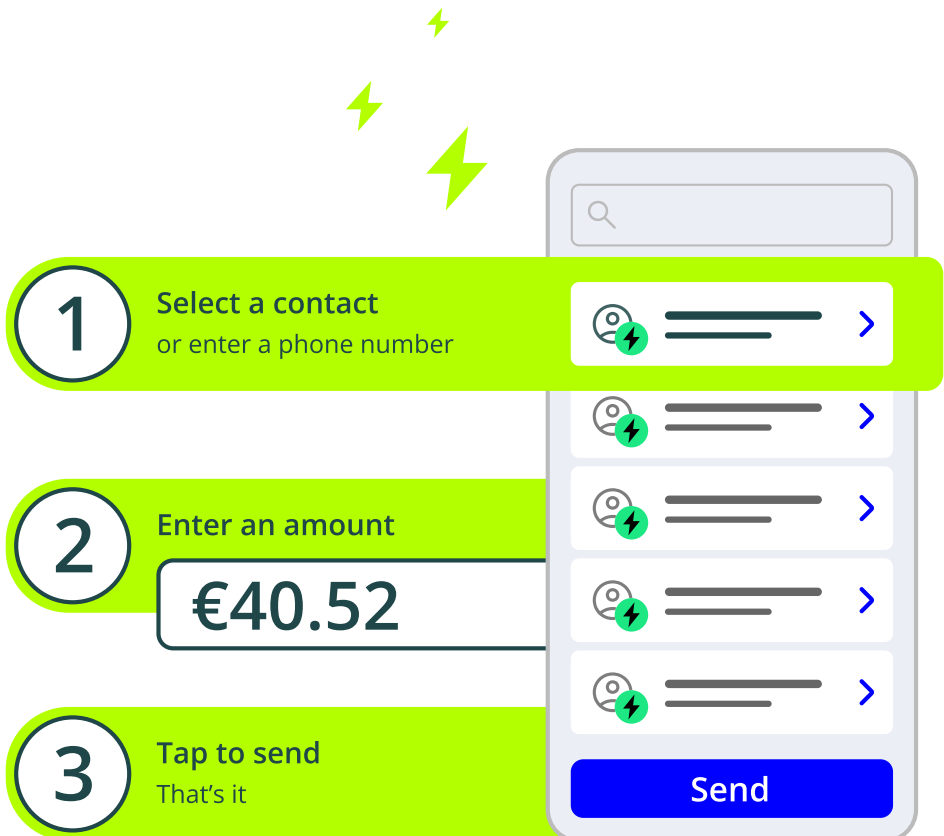

Say hello to Zippay

We're excited to let you know that we're adding a new service called Zippay to our 365 mobile app in early 2026. Before it launches, we'll put a message in our 365 mobile app.

Zippay makes sending money, requesting money or splitting a payment with other Zippay users simple. Just select them from your mobile contacts or tap in their mobile number. Add an amount. And Zippay. That's it. No need for IBANs, BICs or account numbers.

Send money for a birthday gift. Ask a friend to pay you for a concert ticket. Split a dinner bill between people. Easy. Payments come straight from your bank account. No need to top up a digital wallet. No separate app. No extra fees or charges. Just Zippay.

What can I do with Zippay?

Send money

Send money from your bank account to other Zippay users. They'll get the money immediately.

Receive money

Receive money from another Zippay user directly into your current account. You'll get the money immediately.

Request money

Request money from another Zippay user. If they accept your request (and have enough money in their account), you'll get the money immediately and your current account balance will update.

Split a payment

Split a payment evenly, by requesting everyone to send you the same amount or request different amounts from different people.

**"I'll get the bill.
Just Zippay
your share!"**

Who can use Zippay?

You can use Zippay with Bank of Ireland, if all the following are true:

- ⚡ You are 16 or older
- ⚡ You have an active euro Bank of Ireland personal current account in the Republic of Ireland (joint accounts must allow individual payments)
- ⚡ You have the 365 mobile app downloaded to your mobile phone with your personal current account registered to it
- ⚡ You have authenticated your mobile number using the Bank of Ireland 365 mobile app
- ⚡ You have not opted out of Zippay.

Zippay and your personal information

You will be automatically enrolled in Zippay before it launches. To get you enrolled, we'll securely share some personal information about your Bank of Ireland current account with a trusted service provider including:

- ⚡ Your name
- ⚡ Your account IBAN
- ⚡ The mobile number you registered on the 365 mobile app
- ⚡ An encrypted combination of your date of birth and mobile number (just to check if you have accounts with other financial institutions offering Zippay to customers).

This information is only shared with our trusted service provider for Zippay. Not with other financial institutions. And, when we share it, we follow all the data protection laws that apply.

Who will offer Zippay?

Bank of Ireland, AIB, and PTSB will all offer Zippay, after the new service launches. Other financial institutions may join in the future.

Where can I find out more about Zippay?

A dedicated Zippay website will go live before Zippay launches. It will have lots of detailed information, plus answers to FAQs (we also have some FAQs later in this guide). Please visit boi.com/zippay, for all things Zippay.

How do I opt out of Zippay?

Don't want your data shared with our service provider? That's fine. Just remember to opt out of Zippay, before 28 October 2025, by calling us on 0818 365 365 or 01 404 4000 (+353 1 404 4000 if you are calling from

abroad). We are available 9am to 6pm, Monday to Friday, 9am to 5pm on bank holidays, 10am to 2pm on Saturday, and are closed on Sunday.

After that, you can still opt out of Zippay anytime. After Zippay launches, you can opt out on the 365 mobile app. And, if you change your mind, you can just opt back in. Simple. For help opting out, please visit boi.com/zippay.

Have you verified your mobile phone number?

If you've already seen a message in our 365 mobile app asking you to verify your mobile phone number, please complete this step as soon as possible. If not, you will receive this message over the coming weeks. Please verify your mobile number when you receive it. We need your verified mobile phone number for the Zippay service.

Under 16?

Zippay will not be available in the mobile app until you turn 16. When you turn 16, we will automatically enrol you in Zippay. Don't want Zippay? That's fine. Before you turn 16, you can opt out by calling us on 0818 365 365 or 01 404 4000 (+353 1 404 4000 if you are calling from abroad). We are available 9am to 6pm, Monday to Friday, 9am to 5pm on bank holidays, 10am to 2pm on Saturday, and are closed on Sunday.

Once you turn 16, you will be able to opt out on the 365 mobile app when Zippay launches. And, if you change your mind, you can just opt back in. For help opting out, please visit boi.com/zippay.

Please discuss this brochure with a parent or guardian.

my banking
details. Just
Zippay."**

Say goodbye to 'Pay to Mobile'

When we let you know that Zippay is launching by putting a message in our 365 mobile app we'll also confirm that we are removing 'Pay to Mobile' from our 365 mobile app.

While 'Pay to Mobile' allows Bank of Ireland customers to transfer money using mobile numbers, Zippay offers much more.

With Zippay, you will now be able to send money, receive money, request money and split a payment not only with Bank of Ireland customers but also with AIB and PTSB customers. We're confident that you'll find Zippay even more convenient. If you are under 16 years when the service launches or wish to make a payment from a business account, you will be unable to use the Zippay service. FAQs in this brochure explain how you can continue to make payments, on our 365 mobile app or 365 online.

If you need more help, please call us on 0818 365 365 or 01 404 4000 (+353 1 404 4000, if you're calling from abroad) from 9am to 6pm, Monday to Friday, 9am to 5pm on bank holidays, 10am to 2pm on Saturday, and are closed on Sunday. We'll be happy to help you.

About this brochure

This brochure contains important information about changes we're making to the 365 Phone and Digital Banking terms and conditions, and our Data Privacy Notice (DPN) to cover the new Zippay service. Please take the time to read it carefully.

The terms and conditions are available to download from boi.com/tandcs-updates. You will also find them on individual product pages of our website and they are available in our branches on request. They will be effective from 30 November 2025. The terms and conditions that apply to Zippay will only apply when the service is available to you. The new DPN will be effective from 28 October 2025.

Data Privacy Notice

About our Data Privacy Notice

We've updated our Data Privacy Notice (DPN) to explain how we process your data for Zippay and how participating banks in the Zippay service act as joint data controllers.

Introducing the Zippay service does not change our relationship with you. We're still responsible for processing your personal data. We follow data protection law to do this, acting as a joint controller along with other participating banks. We only need to process a very limited amount of your personal data, for Zippay to work. If you have any questions about your personal data and the Zippay service, please see our DPN on our website at boi.com/privacy.

Other updates to our DPN

We have also updated section four of the DPN to include:

- ❶ Processing personal information by Bank of Ireland and our service providers – under the 'legitimate interest' legal basis – to help us test, create, build and operate new products, services and systems.
- ❷ Recording and monitoring of communications for training, quality and fraud prevention, under the 'legitimate interest' legal basis.
- ❸ Sharing card details for credit or debit card holders (for example, the account name) with card scheme providers. This helps them with validation when payments or recurring payments are being set up.

The updated version of the DPN is available on our website at: boi.com/privacy.

Need extra help?

Please get in touch if you need this information in Braille, large print or audio, or in another language. We have lots of experience serving customers with various needs and will be delighted to help you. Text 'extra help' to 50365, call 1800 946 146 (choose option 1) or pop into a branch. If you are under 18, please discuss this brochure with a parent or guardian.

FAQs

Where will I find Zippay?

When it launches, Zippay will appear on our 365 mobile app.

Which account will I use to send Zippay payments?

You can send Zippay payments from any personal account that you can send credit transfers from on the 365 mobile app (for example, your personal current account or personal demand deposit account).

Which of my accounts will receive Zippay payments?

We'll select one of your personal current accounts so that you can receive Zippay payments as soon as Zippay launches. You'll receive payments into this account. We call this your default account. You can change your default account at any time.

I only bank with Bank of Ireland. How will you choose my default account?

If you have one personal current account only with Bank of Ireland, we'll choose this as your default account. If you have more than one, we'll choose the one you use most often as your default account.

I bank with Bank of Ireland and AIB and/or PTSB? How will you choose my default account?

You will only have one default Zippay

account. Even if you have accounts at other banks. To choose your default account, our trusted service provider will check how often you've used each account in the last 90 days (including debit card transactions). They'll select your most active account. To help them do this, we'll share the number of transactions on your account with them. We'll only do it so they can select your default account. After they choose your default account, this data will be deleted.

Can I change my default account?

Yes. You can change your default account at any time using the 365 mobile app.

How does Zippay work if I only have a joint personal current account?

Zippay works with joint accounts that have a single mandate. In other words, joint accounts where any of the account holders can individually authorise a payment without getting the authorisation of other account holders.

How do I know that I'm paying the right person when I use a mobile number to pay them?

Before you pay someone, we'll let you know the 'masked' name of the owner of the account linked to the mobile number. A 'masked' name is simply a name with some details removed for security purposes. For example,

if you're paying 'John Smith', we'll let you know that 'Jo** Smi**' owns the account.

If the masked name does not match the person you intend to pay, do not go ahead with the payment. This is extremely important. If you send money to the wrong payee, we will make every reasonable effort to recover it. But we may not be able to recover all or any of that money.

What if I change my mobile number?

If you change your mobile number, please follow the instructions on 365 online or the 365 mobile app to update it as soon as possible.

If you change your registered mobile number and do not update it immediately, there's a risk that money that you expected to receive is instead paid to another account that does not belong to you.

What if my mobile number is linked to more than one 365 online profile?

If your mobile number is linked to more than one 365 online profile, you will not be automatically enrolled in Zippay. Instead, you will have to opt in to the service. If your mobile number is linked to multiple profiles (for example, with an elderly parent or child), we recommend that the registered owner of the mobile number opts in to Zippay.

How can I make a payment if I am not eligible to use Zippay?

If you are under 16 years when the service launches or wish to make a payment from a business account, you will be unable to use the Zippay service to make payments.

You can still make payments on our 365 mobile app or 365 online.

To use these services, simply log in to our 365 mobile app or 365 Online and follow the steps under the "Payments" or "Transfers" section.

How can I receive a payment if I am not eligible to use Zippay?

If you are under 16 years when the service launches or wish to receive a payment to a business account, you will be unable to use the Zippay service.

To receive a payment, the person sending the payment will need to know your IBAN and account name and to follow the steps required by their financial institution.

Changes to our 365 Phone and Digital Banking T&Cs

We've updated our 365 Phone and Digital Banking terms and conditions, to reflect the introduction of Zippay and the removal of Pay to Mobile. We've amended some definitions to reflect the fact that the Zippay service will be available on the 365 mobile app. We've also added new clauses to our 365 Phone and Digital Banking terms and conditions, to reflect the introduction of Zippay. We've included these below.

If you do not wish to accept any of the terms and conditions changes in this brochure

We appreciate that some customers may not want to accept these changes. If this is the case for you, you can opt out of Zippay. There's information about opting out in this brochure. For more help opting out, please visit boi.com/zippay. You may also choose to end your service. There's no charge for doing this, as long as you have cleared any overdrawn balances and/or fees due. If you do not notify us before 30 November 2025 when the changes come into effect, we'll take this to mean that you have accepted the changes on their effective date.

New clauses

- 1.22 Eligible Zippay Account" means a Republic of Ireland personal current account with us (excluding a Smart Start Account) which is active, where:
- (a) the Accountholder is 16 years or older and has access to and the use of the Bank of Ireland App;
- (b) the Account is active for Digital Banking;

- (c) the Accountholder has not opted out of Zippay;
- (d) we have sufficient data to commence registration for Zippay (as outlined in Clauses 26 to 28 below); and
- (e) in the case of Joint Accounts, a single Accountholder's consent is needed to withdraw money from the Account. In the case of a Registered Mobile Phone Number which is linked to more than one Digital Banking profile, the owner of only one Digital Banking profile will be eligible (as set out in Clause 25.3 below).
- 1.42 "Registered Mobile Phone Number" means the mobile phone number which is linked to you by us for use of the Bank of Ireland App and may be registered by us as part of the Zippay service.
- 1.55 "Zippay" means a service which allows you to send money to anyone with an account registered with Zippay using their mobile phone number (as opposed to their IBAN) to identify them. Zippay also allows you to receive money from other people who are able to use Zippay using your Registered Mobile Phone Number (as opposed to your IBAN) to identify you.
- 1.56 Zippay Nominated Account" means the Bank of Ireland Account in Euro held by you that is an Eligible Zippay Account that we have automatically registered to receive payments made through Zippay. Where you have more than one account either with us or with another Zippay Participant, an account will be selected that is deemed to be most appropriate based on account type and usage, however you can change this at any time. This means that in certain circumstances the account that is registered for Zippay may be one that is provided by another Zippay Participant and not by Bank of Ireland. If that is the case these terms and conditions will not apply to that other account in relation to the provision of Zippay.
- 1.57 "Zippay Participant" means a payment service provider which provides Zippay.
- 13.5(a) We will not be responsible for any losses caused if: we make a payment in accordance with an Instruction and that Instruction contains information which is incorrect such as an incorrect IBAN or BIC, or account number or sort code, or equivalent account details such as a mobile phone number (in the case of Zippay) supplied by you or a third party (such as a TPP), (and where we have carried out Verification of Payee as required if your payment was a SEPA Credit Transfer or a SEPA Instant Credit Transfer)
- 22.10 You must let us know as soon as you change your mobile phone number. Your Registered Mobile Phone Number is used to receive Zippay payments and if you don't let us know when this changes, you may not receive money you expect to receive.

| 24.0 | Zippay | | Zippay service, and that other person using the Registered Mobile Phone Number may be registered by us for the Zippay service. Payments through Zippay will then go to the Zippay Nominated Account of that person. If that happens, you will need to request that the other persons opts out of the Zippay service before you can opt in. It also could mean that money that you expected to receive is instead paid to another account that does not belong to you. If we are notified of a dispute between you and any person using the Registered Mobile Phone Number we may decide to restrict you or the other person from using the Zippay service either temporarily or permanently. |

| 25.1 | Unless we have otherwise agreed with you, or where a Registered Mobile Number is linked to more than one Digital Banking profile, when you register a Registered Device with us: (a) your Registered Mobile Phone Number; and (b) your Zippay Nominated Account details are automatically registered for the Zippay service. If you do not wish for us to register these details for the use of Zippay you must opt out. We tell you more about how this opt out process works in Clause 27 (Deregistration from Zippay). You can find information on how we process personal data for Zippay in our Data Privacy Notice available on bankofireland.com | 25.6 | We will not be responsible for any losses caused or to refund you for any payments that you did not receive due to your failure to tell us about a change of your Registered Mobile Phone Number. |
| 25.2 | When we automatically register your Zippay Nominated Account and your Registered Mobile Phone Number, we will do so on a database operated by our supplier on behalf of all Zippay Participants. Please see our FAQs at boi.com/zippay for further information. | 26.0 | How Zippay Works |
| 25.3 | If your Registered Mobile Phone Number is linked to more than one Digital Banking profile (for example if your child or parent has used the same mobile phone number to set up their Digital Banking profile), we may not register you automatically for the Zippay service. We may allow you to opt in to the Zippay service. If you are registered for the Zippay service, but the other person using the Registered Mobile Phone Number has more recently proved possession of the mobile phone number (for example by completing verification through the Bank of Ireland App), you may be removed from the | 26.1 | Once you are registered by us to use the Zippay service, payers will be able to make payments to your Zippay Nominated Account using your Registered Mobile Phone Number, and those payers will not need to include the IBAN of your Zippay Nominated Account to make a payment to you. |
| | | 26.2 | Your Zippay Nominated Account means the Bank of Ireland Account in Euro held by you that is an Eligible Zippay Account that we have registered to receive payments made through Zippay. Where you have more than one account either with us or with another Zippay Participant, an account will be selected that is deemed to be most appropriate based on account type and usage, however you can change this at any time. This means that in certain circumstances the account that is registered for Zippay may be one that is provided by another Zippay Participant and not Bank of Ireland. If that is the case these terms and conditions will not apply to that other account in relation to the provision of the Zippay service. |

26.3	Once we have registered your details for the Zippay service, and unless you opt-out, those details can be used by other Zippay Participants and their agents and customers but only for the purpose of sending payments to you or for processing payments that you are sending to someone else. You need to be aware that customers of other Zippay Participants will be able to see if your Registered Mobile Phone Number is registered on Zippay and make a payment into your Zippay Nominated Account.	
27.0	Deregistration from the Zippay service	
27.1	You can, at any time, ask us to deregister your Registered Mobile Phone Number from the Zippay service. You can do this through the Bank of Ireland App or such other ways which we will from time to time tell you about.	28.4
27.2	If your Zippay Nominated Account is closed, any Registered Mobile Phone Number will be deregistered by us from the Zippay service unless it is linked to another Zippay Nominated Account with us.	29.0
27.3	If you are in breach of any of your account terms and conditions or these terms and conditions we may deregister your Registered Mobile Phone Number from the database.	29.1
27.4	We may suspend or terminate your use of the Zippay service in a limited number of situations. We may do so for example: (a) if another person has proved possession of the Registered Mobile Phone Number as set out in Clause 25.3; (b) if we believe the registration details have been compromised, or we suspect fraud; (c) where we are aware of or suspect that the Zippay Nominated Account is being used for illegal activities, or is otherwise blocked in accordance with these terms and conditions, including for one of the reasons set out in Clause 17.3; (d) where there is a dispute about the ownership of the Registered Mobile Phone Number as set out in Clause 25.3; or (e) where the Zippay service is being used inappropriately – for example where abusive or inappropriate messages are being sent.	29.2
28.0	Sending Zippay Payments	
28.1	Once you are registered for Zippay, you can make payments using the Zippay service through the Bank of Ireland App by selecting the 'payee's mobile phone number from your contact list, entering the amount of the payment that you wish to send to the payee and using your Security Credentials to consent to the transaction.	
28.2	Before you can make a payment, you will need to give us permission to access your contacts that are stored in your Mobile Device. By selecting a contact, you agree to the Bank of Ireland App accessing data in your Mobile Device address book.	
28.3	You must ensure that the 'payee's mobile phone number is correct as we will not be responsible or liable if you send money to the wrong payee. Before you consent to a payment, we will let you know the masked name of the owner of the account linked to the mobile phone	
	number you enter. For example if you are paying "John Smith" we will let you know that "Jo** Smi**** owns the account. If the masked name does not match the person you intend to pay you should not consent to the payment. This is extremely important as where you consent to a transaction and send money to the wrong payee, while we will make every reasonable effort to recover any money involved in the transaction, we may not be able to recover all or any of that money. We may charge you for any reasonable costs that we have to pay when trying to recover these sums.	
	If the payee is not registered for Zippay, you will not be able to make a payment to them using the Zippay service. We will not be liable to you or anyone else for any losses that you incur if you attempt to send a payment to a payee who is not registered to receive Zippay payments.	
	Receiving Zippay Payments	
	You can receive Zippay payments to your Zippay Nominated Account if (a) your Zippay Nominated Account is registered for the Zippay service, (b) your use of Zippay has not been suspended or terminated by us; and (c) your Eligible Zippay Account remains your Zippay Nominated Account for the Zippay service.	
	Request Money	
	Zippay allows you to request a payment from another Zippay user using the Request Money feature. The process works as follows: a. When you select the Request Money option in the Zippay service, you will be asked to select the person you want to receive money from using your contact list on your Mobile Device, or by manually typing their mobile phone number when using the Request Money feature; b. You must then select the amount you are requesting from the recipient and confirm the Request Money. You can also add a message with your Request Money if you so wish; c. Once a Request Money is sent the recipient will receive a message with your name, the message (if included), the amount requested and the option to either reject or pay the Request Money. If the recipient rejects the Request Money, no payment will be made by the recipient to you and you will receive a rejection notification. If a Request Money is not responded to immediately by the recipient, it will remain pending for a period of 30 calendar days after the date of receipt of the Request Money by the recipient, after which it will expire. You will need to resend the Request Money again if the Request Money expires. d. You can cancel a Request Money at any point before the recipient has rejected the Request Money or agreed to the Request Money or before the 30 calendar day expiration period. e. To make a payment in response to a Request Money from another user of Zippay, you will need to authorise that payment using the procedure we specify in the Bank of Ireland App and providing your Security Credentials when requested. f. It is not possible to amend the payee details or the amount of a payment in response to a Request Money. Therefore, you must make sure that the amount of the Request Money and the details of the person who sent you a Request Money are correct. Before you consent to a payment, we will let you know the name of the person who has sent the Request	

	Money. If the name does not match the person you intend to pay you should not consent to the payment. This is extremely important as where you consent to a transaction and send money to the wrong payee, while we will make every reasonable effort to recover any money involved in the transaction, we may not be able to recover all or any of that money. We may charge you for any reasonable costs that we have to pay when trying to recover these sums. If you want to pay a different person or a different amount, you will need to reject the Request Money and instead send a payment in a way you choose (using Zippay or otherwise).	30.5	It is important that you make sure that you have sufficient funds in the account you select to make a payment from to cover any payments that you make using the Zippay service.
	g. You should only make a payment in response to a Request Money where you know what the payment is for.	30.6	You should not use Zippay to put your Account in overdraft unless you have agreed this in writing with us beforehand.
	h. You can block a contact from sending you a Request Money if you wish.	31.0	Authorising Zippay Payments
	i. Restrictions apply on the number of active Request Money requests you can have.	31.1	Once an instruction to make a Zippay payment is received by us with the correct Security Credentials, you agree that we can act on it. You understand that we do not make any more security checks. You give your consent to the payment by providing us with the correct Security Credentials and you agree that, we can process (use) your personal data to obey your instruction and to give you the service.
29.3	Split a payment	32.0	Value Date Terms
	You can also use the Zippay service to split a payment (such as a bill). To do this select the 'Split a payment' option in the Bank of Ireland App. You will be asked to select the people you want to split the payment with and you will have the option to split the payment evenly, or allocate how much each person must pay. Each person will then receive an individual Request Money (as outlined in Clause 29.2 above) for the amount allocated. The maximum number of people who can be included in a Split a payment is 30.	32.1	When you use Zippay for payments, the balance (or any remaining balance of an agreed overdraft limit) on your Account will be reduced immediately by the amount of the Zippay payment. All Zippay payments made by you will be subject to the Zippay limits set out in these terms and conditions.
30.0	Things you need to know about using Zippay	32.2	You cannot stop or cancel a Zippay payment once you have authorised the payment as the payment is executed immediately. Upon authorisation by you, the payment instruction is immediately sent to the payee's bank, which in turn credits the payee.
30.1	Minimum and maximum transaction limits and maximum daily limits apply to the amount you can send using the Zippay service which may change from time to time. Details of the current limits are available when you use the Zippay service.	32.3	We will credit a Zippay payment arriving to your Zippay Nominated Account immediately upon receipt of the Zippay payment instruction from the Zippay Participant. The balance on your Zippay Nominated Account will usually be increased immediately by the amount of the Zippay payment.
30.2	We keep records of when you register to make Zippay payments and when you instruct us about this type of payment. You agree that we may give our records as evidence of your registration or instruction in any way the law allows for. You also agree that we can assume any registration (where the registration is not automatic) or Instruction comes from you if your Security Credentials are used to register or give us an Instruction.	32.4	Full details of Zippay payments that you receive or send through the Bank of Ireland App will only appear on your regular Account statement or eStatement we provide to you after it has been fully processed by us. However, a record of the Zippay payments generally appears immediately on Digital Banking, at ATMs and where available on statements which are printed using a branch statement printer.
30.3	You can only use the Zippay service to send money from accounts which you can also make a SEPA Credit Transfer from on the Bank of Ireland App. For example you cannot use the Zippay service to transfer money from any loan or credit card account you may have with us or any of our subsidiaries.	33.0	Protecting your Security Credentials
30.4	Zippay is limited to allowing you to make euro payments to, or receive euro payments from, other users of Zippay. All payment instructions received by us via Zippay are processed in accordance with the relevant provisions of these terms and conditions and your account terms and conditions.	33.1	You are responsible for protecting your Security Credentials when using Zippay and you must ensure that you protect them in line with the "Your Responsibilities" Clause (Clause 14) in these terms and conditions. If you do not do so, you may be liable in accordance with Clause 14 of these terms and conditions.
		34.0	Fees and Charges
		34.1	If we introduce fees or charges for Zippay in the future we will notify you in a way allowed by law or banking regulations.
		35.0	Suspension and Termination
		35.1	In addition to the reasons outlined in Clause 27.4, we reserve the right, for valid reasons, to suspend, terminate, modify or delete a Zippay Nominated Account from the Zippay service or restrict access to any part of the Zippay service.

Keep your account safe. We will never call, text or email asking you to share your six-digit passcode, one-time activation codes or your full 365 PIN. We will never ask for your full card details. Do not share them. Remember, we will never ask you to transfer money out of your account to protect yourself from fraud. For more information, visit Security Zone on our website.

Important changes to our 365 phone service

**Bank of
Ireland**

We are making some changes to our 365 phone service that may affect you if you make payments using this service.

What's changing?

In the coming months, on our 365 phone service, you will only be able to make SEPA payments by speaking directly to a customer service agent. The service will be available during business hours (**currently, Monday to Friday, 9am to 5pm**). You will no longer be able to make SEPA payments using the self-service option on 365 phone. The effective date of the 365 Phone and Digital Banking Terms and Conditions' changes is 30 November 2025. This means you will be able to make SEPA payments using the self-service option on 365 phone until at least 30 November. We will let you know the exact date of the change (which will be after 30 November) by putting a message on the 365 phone service closer to the time.

In May, we advised that SEPA Instant payments would be available as a self-service option, 24/7. This has now changed, and when SEPA Instant payments become available on 365 phone, they will only be available by speaking directly to a customer service agent during business hours. A copy of our previous communication "A Guide to Upcoming Changes to your Banking Service Terms and Conditions" is available to download from boi.com/tandcs-updates.

What type of payments are affected?

The change will apply to SEPA payments to third party accounts made on 365 phone. It will also apply to SEPA Instant payments made on 365 phone when they are available in October.

Are any other payment services affected?

There will be no change to the way you use 365 phone to pay a bill or to transfer money between your own accounts.

What are the alternatives to 365 phone self-service?

If you need to make a payment to a third party account at any time, 24/7, you can do so on 365 online or our mobile app.

Why are we making these changes?

We are making these changes to better comply with our regulatory obligations, and to reflect changes in the way we do business.

What do I have to do?

If you do not use 365 phone to make payments, you do not need to do anything.

If you use the 365 phone service to make SEPA payments to third party accounts, you can only make these during business hours (currently, Monday to Friday, 9am to 5pm) by speaking to an agent, when the self-service option is no longer available. Alternatively, you can continue to make a payment to a third party account at any time, 24/7, on 365 online or our mobile app.

What changes are being made to the 365 Phone and Digital Banking Terms and Conditions?

We are including the following new clause in the terms and conditions as clause 2.6.

"2.6 Payments to Designated Accounts using 365 phone may not be available as self-service features of 365 phone. You may only make payments (including SEPA Credit Transfers and SEPA Instant Credit Transfers) to Designated Accounts using 365 phone during business hours by speaking to a customer service agent. Please see our website for current business hours in which payments can be made".

We are also amending clauses 4.11 and 4.12, to make it clear that SEPA Credit Transfer instructions can only be accepted 24/7 on 365 online and our 365 mobile app.

Your new terms and conditions will be available to download from boi.com/tandcs-updates on 8 September 2025 and are available in our branches on request.

What if I am not happy with these changes?

We appreciate that some customers may not want to accept these changes. If this is the case for you, you may choose to end your service. There's no charge for doing this, as long as you have cleared any overdrawn balances and/or fees due. If you do not notify us before 30 November 2025 when the changes come into effect, we'll take this to mean that you have accepted the changes on their effective date.

Any questions?

If you need support with your banking and make payments using 365 phone, do not worry. We're here to help. You'll still be able to make payments with our support, either over the phone during business hours or in a branch. We can also guide you through our app or online banking, if you prefer digital options.

Please visit our website for more information. If you need more help, please call us on 0818 365 365 or 01 404 4000 (+353 1 404 4000, if you are calling from abroad). We are available from 9am to 6pm, Monday to Friday, 9am to 5pm on bank holidays, 10am to 2pm on Saturday, and are closed on Sunday. We will be happy to help you.

Keep your account safe

We will never call, text or email asking you to share your six-digit passcode, one-time activation codes or your full 365 PIN. We will never ask for your full card details. **Do not share them.** Remember, we will never ask you to **transfer money out** of your account to protect yourself from fraud. For more information, visit Security Zone on our website.

It may also be referred to as an **“Instant Payment”** or a **“SEPA Instant Payment”**.
- 1.45 **“SEPA Zone”** means the member countries of SEPA, details of which are available on Bank of Ireland website at bankofireland.com.
- 1.46 **“Service”** and **“Services”** include, but may not be limited to, the following, some or all of which are available via 365 phone and Digital Banking:
- (a) showing you your Account balance;
 - (b) giving you information about your transactions;
 - (c) setting up and viewing Standing Orders;
 - (d) the cheque search facility;
 - (e) funds transfers and payments to Designated Accounts;
 - (f) a bill pay service which you can use to pay certain utility bills;
 - (g) requesting account statements for current, savings and loan accounts;
 - (h) pay to Mobile;
 - (i) registering and viewing other BOI accounts;
 - (j) viewing recent Credit Card transactions;
 - (k) customising Current Account transaction history on screen, for example, to list categories of transactions carried out over the previous 12 months;
 - (l) the services described in Clauses 20 to 22;
 - (m) showing you your Policy details; and
 - (n) such other Services as we may introduce from time to time.
- You can find an up to date list of the Services available via 365 phone or Digital Banking on bankofireland.com/digitalservices.
- 1.47 **“these terms and conditions”** means these 365 Phone and Digital Banking Terms and Conditions. The most up to date version of these terms and conditions can be found on the Bank’s website at bankofireland.com. You can also request a copy from us at any time free of charge.
- 1.48 **“Third Party Provider”** or **“TPP”** means any payment service provider that provides payment services to you or someone else that concerns your Accounts, for example an AISP and/or a PISP and/or a CBPII.
- 1.49 **“User ID”** means a unique 365 online user identification code we give you.
- 1.50 **“Verification of Payee”** also called **“VOP”** is a service we provide to check the Name of an intended Payee against the IBAN provided by you with an instruction for a SEPA Credit Transfer or SEPA Instant Credit Transfer. This service is described in more detail in clauses 4.17 – 4.27.

- 1.51 **"We", "Bank" "us" and "our"** means The Governor and Company of the Bank of Ireland, having its Head Office at Baggot Plaza, 27-33 Upper Baggot St., Dublin, D04 VX58, Ireland, and its successors, and legal or equitable transferees or assignees.
- 1.52 **"You" and "your(s)"** means (a) an Accountholder (b) a Cardholder and (c) includes you acting on your own and through anyone else you authorise to act on your behalf, for example, a TPP.

2.0 Accounts

- 2.1 You cannot use these Services unless:
- (a) the Account is in your name;
 - (b) you are the beneficial owner of the money in the Account (this means, for example, you do not hold the money on behalf of someone else);
 - (c) where applicable, you have sent us a mandate for the Account and we are satisfied with it; or
 - (d) you are a Cardholder.
- 2.2 If you are a Cardholder on an Account but are not the Accountholder, your access to the Services for that Account will be limited (for example you may not be able to view balances or transactions unless the Accountholder has given us permission) in accordance with the Account terms and conditions. The Accountholder is responsible for ensuring that the Cardholder complies with these terms and conditions as applicable in their capacity as a Cardholder. The Accountholder is responsible for all transactions carried out by a Cardholder using the Services and is fully liable to pay us all amounts outstanding on the Account. You will need to use a Digital Security Key or Physical Security Key to consent to certain credit or debit card transactions.
- 2.3 If you select and appoint a person to use these Services:
- (a) it is your sole responsibility to make such a selection and appointment and you must satisfy yourself as to the suitability and integrity of the person chosen;
 - (b) you agree that we shall not be liable to you or anyone else for any loss or expense as a result of us acting on the instructions of the person chosen by you to use these Services and that we can deal with that person as if he or she were you for the purposes of these terms and conditions;
 - (c) any change in the identity of the person authorised to use these Services must be notified to us in writing by completing the relevant form and providing it to us. The relevant forms are available by calling into any branch. Such notification will be treated as effective by us from the time of receipt;
 - (d) you authorise us to (but we do not have to) suspend transactions on the Account where in our sole discretion we reasonably believe we have (i) unclear authority from you or the person authorised to use the

Services on your behalf or (ii) contradictory instructions in relation to the operation of the Services or the Account from two or more of the Directors, Secretary, partners, officials or persons whom we believe to be in a position of authority and we are authorised to maintain this suspension until you give a new and clear authority in the form of an Amendment Form for Existing Accounts or in another form acceptable to us. This Clause 2.3(d) is an exception to Clause 2.3(c).

2.4 Some of the Services forming part of 365 Phone and/or Digital Banking may not be available to you, for a valid reason, as we may advise you from time to time. Here are examples of valid reasons:

- ▶ to better comply with a law, regulation or other legal duty;
- ▶ to reflect a change in the law, code of practice, or a decision, recommendation by a court, ombudsman or regulator;
- ▶ to improve the services we provide customers;
- ▶ to remove (or change) a service if continuing it (or not changing it) is not cost effective or sustainable or does not make a reasonable profit or provide a reasonable return on investment or equity;
- ▶ to reflect changes in our business model, or the way we do business;
- ▶ to reflect changes in technology or in our systems or to maintain our systems;

to deal with threats to the integrity of our systems; or for a reason that is related to any of the previous ones.

2.5 Some of the Services on 365 phone are available as self-service instructions (in other words, you do not need to speak to an agent). When you use the self-service features of 365 phone, we may ask you to use the Bank of Ireland App as a way of confirming to us that you are who you say you are. Using the Bank of Ireland App, we may ask you to provide Security Credentials (for example, a response to a push notification sent to the Bank of Ireland App). If you do not use the Bank of Ireland App, you may need to speak to an advisor during business hours (published on the Bank of Ireland website) to use 365 phone. You may not be able to use 365 phone outside of business hours.

Third Party Providers (TPP).

2.6 To use the services of a TPP for your Account, you must be able to access your Online Payment Account through Digital Banking.

2.7 Where we provide your TPP access to your Online Payment Account, you can choose to allow your TPP to access relevant information; or make relevant payments from your Online Payment Account; or both. For more information on the types of information and payments a TPP can access and make please see [boi.com/PSD2](https://www.boi.com/PSD2).

2.8 You are not obliged to use the services of a TPP for your Online Payment Account but, if you do, it is your responsibility

to read the terms and conditions of the TPP. It is also your responsibility to understand exactly what information the TPP will be able to access and how it will be used by them. This should all be covered in your agreement with the TPP. A TPP should be registered with any relevant financial services regulator in order to provide payment services to you.

- 2.9 A TPP may look for access to your Online Payment Account, for example, to provide payment or account information services to you. However, we will only allow such access where you have permitted us to allow that.
- 2.10 It is the responsibility of the TPP to ensure any information it holds about you or your Online Payment Account is secure.
- 2.11 About PISPs. If we receive an instruction from a PISP to initiate a payment on your Online Payment Account, we will treat this as an instruction from you.
- 2.12 You can instruct a PISP to initiate a payment on your Online Payment Account by following their procedures (make sure they give them to you). If you do this, you must authorise us to make the payment by using our online verification processes and your Security Credentials. Once you have authorised us in that way to make the payment initiated by the PISP we will treat the payment as though you asked us to make it yourself.
- 2.13 Once you have authorised us to proceed with a payment initiated by a PISP it can't be amended or stopped unless you ask us to amend or stop it before the relevant Cut-Off time. If you have authorised us to proceed with a SEPA Instant Credit Transfer initiated by a PISP it can't be amended or stopped.
- 2.14 If you instruct a PISP to initiate a SEPA Credit Transfer or SEPA Instant Credit Transfer on your Online Payment Account, that PISP must ensure that the Name of the Payee is correct. Please see clauses 4.17 – 4.27 for more details on the Verification of Payee service.
- 2.15 About AISPs. If we receive an instruction from an AISP to access information about your Online Payment Account, we will treat this as an instruction from you.
- 2.16 You can instruct an AISP to access and hold details of your Online Payment Account by following their procedures (make sure they give them to you). If you do this, you must authorise us to share the information with the AISP by using our online verification processes and your Security Credentials. Once you have done this, the AISP can make any number of requests for access to your Online Payment Account for up to 180 days and we will obey those requests (unless we have duly evidenced reasons relating to unauthorised or fraudulent access to your Online Payment Account, in which case we may (but are not obliged to) request that you authorise us again (in the way set out in this clause) before we share information with the AISP). Once each 180 day period passes, you need to authorise us again (in the way set out in this clause) if you wish us to continue to share information on your Online Payment Account with your AISP.
- 2.17 About CBPIIs. If we receive an instruction from an CBPII to

find out whether money is available in your Online Payment Account to meet a card payment, we will treat this as an instruction from you.

2.18 Where we provide a CBPII access to an Online Payment Account, you can instruct a CBPII to access your account by following their procedures (make sure they give them to you). If you do this, you must authorise us to share the information with the CBPII by using our online verification processes and your Security Credentials. Once you have done this you authorise us to answer a CBPII request to find out whether money is available in your Online Payment Account to meet a card payment. Once you have authorised us to share such information with the CBPII, the CBPII can make any number of requests for that information (and we will answer them) until you contact the CBPII to cancel your permission to allow them make such requests (you may need to follow their procedures to cancel your permission).

2.19 TPPs when you have a joint account. If the Online Payment Account is in the name of two or more of you, one of you can instruct a TPP to access your Online Payment Account details or initiate a payment on your Online Payment Account by using the TPP's procedures and ours. If we receive a request from a TPP to access your Online Payment Account details or initiate a payment, we respond to it as if all or both of you had made the request or asked the TPP to make it on behalf of each of you.

2.20 At any time you wish you can:

- (a) cancel any service that a TPP provides you that concerns your Online Payment Account; or
- (b) any consent or permission you give a TPP that concerns your Online Payment Account. You may have to follow the TPP's procedure to make sure they cancel their service or stop acting on your consent or permission.

2.21 If you send your TPP a cancellation when we are processing an instruction from them or to get access to information about your Online Payment Account, it may be too late for us to cancel the instruction; and, if so, you permit us to obey it.

2.22 If you permit a TPP to access your Online Payment Account and/or to initiate a payment transaction (for example, a payment from your Online Payment Account):

- (a) the TPP will have access to your Online Payment Account(s); and
- (b) we are not responsible for anything the TPP does.

2.23 We may refuse to process an instruction from a TPP where we know, or have reasonable grounds to suspect:

- (a) that you have not authorised a TPP to give the instruction; or
- (b) that the instruction from the TPP may be fraudulent or given by mistake.

If we can identify the TPP, we will contact you as soon as we reasonably can in a way we choose, unless the law

prevents us from doing so or we reasonably believe it would compromise our security measures.

- 2.24 We record the instruction you and any TPP give us. If there is a dispute between you and us or you and a TPP concerning any Online Payment Account, we may give our records as evidence in any way that the law allows for.

3.0 Policies

Remember – if you need a conclusive statement, please contact NIAC/BIL.

- 3.1 You can only register a Policy for viewing if the Policy is in your name or you are the sole member of a pension scheme where trustee consent has been provided.
- 3.2 If your Policy is held in the name of two or more persons, any of the Policy holders can use the Services and as a Policy holder you will have access to information on the other Policy holders and lives assured under the Policy.
- 3.3 Subject to 3.4 below, any Policy value or benefits displayed will be the value or benefits at close of business on the Banking Day before the Day of Access.
- 3.4 While we make every reasonable effort to ensure the information we give you about your Policy is accurate and complete, the information is not conclusive evidence of the state of your Policy. If you need a conclusive statement, please contact New Ireland Assurance Company PLC (NIAC)/Bank of Ireland Life (BIL). It is important you understand that any Policy details provided are indicative only, details provided may not include a full list of all benefits available under your Policy where benefits are displayed and the details provided do not confer any rights.
- 3.5 If you rely (or someone else relies) on information regarding your Policy accessed through Digital Banking and you have not asked NIAC/BIL for a conclusive statement, neither we nor NIAC/BIL will compensate you or anyone else for any loss or expense which occurs as a result of any relying on the information displayed through Digital Banking where it is different from what a conclusive statement would show.
- 3.6 You can only view your Policy details and, other than an Instruction to display a Policy, you cannot issue an Instruction to us in connection with your Policy.
- 3.7 If you wish to issue an Instruction, request a change be made, have any queries, wish to make a complaint concerning your Policy or require up to date and detailed information on your Policy, you should contact NIAC/BIL directly and not us.

4.0 SEPA Credit Transfers and SEPA Instant Credit Transfers

We assume any registration or Instruction comes from you where the Services have been accessed using Security Credentials.

- 4.1 A SEPA Credit Transfer is a non-urgent Euro payment made within the SEPA Zone and which is subject to the SEPA Credit Transfer or the SEPA Direct Debit Scheme Rules. It may also be referred to as a **"SEPA Payment"**.
- 4.2 A SEPA Instant Credit Transfer is a Euro payment made within the SEPA Zone which when executed, (and if successful) is credited to the Payee within ten seconds, 24 hours a day and on any calendar day and which is subject to the SEPA Instant Credit Transfer Scheme Rules. It may also be referred to as an **"Instant Payment"**.
- 4.3 SEPA Instant Credit Transfers will be made available on 365 phone, 365 online and the Bank of Ireland App on a phased basis. We will let you know when SEPA Instant Credit Transfers are available to you. The terms and conditions that apply to SEPA Instant Credit Transfers will only apply when the service is available to you.
- 4.4 We keep a record when you register to make SEPA Credit Transfers and SEPA Instant Credit Transfers and when you instruct us about these types of payment. We may give our records as evidence of your registration or Instruction in any way that the law allows for. We can assume any registration or Instruction comes from you where the Services have been accessed using Security Credentials, whether you use them or, someone else uses them where you have allowed them to do that, despite the rules in these terms and conditions which tell you not to share your Security Credentials.
- 4.5 You cannot use the SEPA Credit Transfer service or SEPA Instant Credit Transfer service to transfer money from any loan or credit card account you have with us or one of our subsidiaries.
- 4.6 If you use the SEPA Credit Transfer service to pay money into a loan account or a credit card account you have with us, you agree that you must contact us to establish the correct balance on that Account. You cannot rely on your own calculations.
- 4.7 You cannot use the SEPA Instant Credit Transfer service to pay money to certain deposit accounts, loan accounts, global markets accounts or credit card accounts you have with us or one of our subsidiaries.
- 4.8 If you use the SEPA Instant Credit Transfer service to pay money to another account in the SEPA Zone, we will let you know within 10 seconds of receiving your instruction if the payment has or has not been made, and if it has not been made, the reason why.
- 4.9 Maximum transaction and daily limits apply to the amount you can pay from your Account. We can change these limits

- at any time. Details of the current limits are available when you use the relevant service. We may allow you to set a lower limit than the maximum limit from time to time by following the procedure we specify. You will be given the option to set a specific limit for SEPA Instant Credit Transfers, if you want to set a limit. The limit can be on a daily or transactional basis.
- 4.10 If you instruct us to carry out a SEPA Credit Transfer on a future date, it is a "Future Dated Payment". We will process any Future Dated Payments on the date you give us. If it is not a Banking Day, we will process it on the next Banking Day. If you instruct us to make two or more Future Dated Payments for the same future date, we will process them in the same order in which you gave us the payment instructions. If, for any reason, we are unable to process a Future Dated Payment, we will notify you within the Payments Pending section.
- 4.11 We accept payment instructions for SEPA Credit Transfers at any time. If you give us a payment instruction to pay money from your Account, we treat the Instruction as given on the Banking Day ("D") on which we actually get it, so long as it is received by us before the Cut-Off Time for SEPA Credit transfers. Details of the relevant Cut-Off Time are available on bankofireland.com and on 365 online. If we receive it after this Cut-Off Time it will be treated as received by us on the next Banking Day. We will ensure the payee's bank is paid within one Banking Day of D.
- 4.12 We accept payment instructions for SEPA Instant Credit Transfer at any time. Cut-Off Times do not apply to SEPA Instant Credit Transfers.
- 4.13 We will let you know within 10 seconds of receiving a payment instruction for a valid SEPA Instant Credit Transfer if the credit transfer has been successful or not.
- 4.14 There may be planned maintenance windows (which we will advise you of in advance) when the SEPA Instant Credit Transfer Service may be temporarily unavailable.
- 4.15 The financial institution where the Designated Account is held controls payment into that account. We are not responsible for that.
- 4.16 If you give us a payment instruction to pay money to a Designated Account held by us, we pay it on the Banking Day we get your payment instruction.

Verification of Payee

- 4.17 The Verification of Payee service is a way of helping you make sure that you send money to the right account when you make a SEPA Credit Transfer or a SEPA Instant Credit Transfer. The Verification of Payee service does this by checking the Name of the Payee against the IBAN you submit to us in your instruction before you send it. This helps you to avoid paying the wrong person or business.
- 4.18 The Verification of Payee service will be made available on 365 phone, 365 online and the Bank of Ireland App on a phased

basis. We will let you know when the Verification of Payee service is available to you. The terms and conditions dealing with Verification of Payee will only apply when that service is available to you.

- 4.19 When you give us an Instruction to make a SEPA Credit Transfer, or a SEPA Instant Credit Transfer we may ask you to include the Name of the Payee you are transferring money to, in addition to their IBAN.
- 4.20 If your Payee is a natural person, you should include their full name (i.e., not a nickname).
- 4.21 If your Payee is a legal person (for example a company) you should include its legal or trading name.
- 4.22 When you set up a new Payee or Standing Order, you must ensure that you have the correct account details. You should have the right IBAN, and the Name of the person or business you are trying to pay.
- 4.23 When you give us an Instruction to make a SEPA Credit Transfer, or a SEPA Instant Credit Transfer, or the first time you set up a Standing Order, and you include the Name of the Payee, we will let you know if the Name of the Payee you gave us (a) matches the Name on the account that you want to transfer to; (b) does not match the Name on the account that you want to transfer to; (c) nearly matches the Name on the account you want to transfer to; or (d) or that your Payee's financial institution has not given us a response.
- 4.24 When you give us an Instruction to make a SEPA Credit Transfer or a SEPA Instant Credit Transfer, or set up a Standing Order to a Payee holding a joint account with other accountholders, we will let you know if the Name of the Payee you submit (a) matches the Name of at least one of the accountholders; (b) does not match the Names of any of the accountholders; (c) nearly matches the Name of at least one of the accountholders; or (d) that your Payee's financial institution has not given us a response.
- 4.25 When someone wants to pay you by making a SEPA Credit transfer, or a SEPA Instant Credit Transfer, and when they include your Name, we will tell their financial institution if it matches, does not match or nearly matches the Name provided to us.
- 4.26 If we tell you that the Name does not match, does not fully match, or that your Payee's financial institution has not given us a response. you should not make the SEPA Credit Transfer or SEPA Instant Credit Transfer, as the Payee may be incorrect.
- 4.27 If you choose to authorise a SEPA Credit Transfer or a SEPA Instant Credit Transfer where the Name does not match your intended Payee, we may not be able to recover any transferred funds. We shall not be held liable for the execution of a SEPA Credit Transfer or a SEPA Instant Credit Transfer to an unintended Payee on the basis of an incorrect IBAN (or other unique identifier), provided that we have carried out the Verification of Payee service.

- 4.28 If you instruct us to make a payment to a Payee who we suspect to be acting illegally or fraudulently:
- ▶ we may delay the payment;
 - ▶ we may contact you (for example by SMS, email, phone, or push notification,) and ask you to carry out checks to make sure the Payee is genuine; or
 - ▶ we may block the payment, even after you have made your own checks, if we continue to have reason to believe the Payee is not genuine and/or who we suspect may be acting illegally or fraudulently.

5.0 Security and Authentication

Remember to keep your Security Credentials safe and if you think they are lost or stolen tell us straight away.

- 5.1 We will instruct you on how to set up your own unique PIN (the "365 PIN"). You may need to use it when you use a Service. We may also ask you to set a Passcode on your Registered Device (your "Passcode") which you may need to use when you use a Service.
- 5.2 We may also give you a unique 365 online user identification code ("User ID"). If we ask you for this code, you must give it to us.
- 5.3 As part of Digital Banking in addition to the items in 5.1. and 5.2 we provide you with Security Credentials which you can use to access your Accounts and Services and to make payments through Digital Banking.
- 5.4 Digital Security Key
- If you use the Digital Security Key the following terms apply:
- (a) When you install the Bank of Ireland App you will be required to register your Mobile Device with us. We will then ask you to follow instructions (which may include entering an Activation Code we will send you, and setting a Passcode) to pair your Mobile Device with your Digital Banking profile. Your Mobile Device will then be a Registered Device and will become your Digital Security Key.
 - (b) You can have more than one Registered Device on your Digital Banking profile.
 - (c) You can register the same Registered Device with multiple Digital Banking profiles.
 - (d) Your Registered Device is a Security Credential once you have paired it with your Digital Banking profile by following the instructions we give you.
 - (e) To use the Bank of Ireland App and 365 online you must have Push Notifications enabled on your Registered Device. We may send you a Push Notification to consent to certain Services or Instructions or access Digital Banking.

- (f) If you receive a Push Notification asking you to confirm a transaction that you have not initiated, you must tell us straight away. Phone us at 0818 365 365/+353 1 404 4000. You may also contact us free of charge on the Freephone number listed on our website bankofireland.com.

5.5 Physical Security Key

If you use a Physical Security Key the following terms apply:

- (a) If you do not have a Registered Device, you may need a Physical Security Key to access Digital Banking and to avail of Services.
- (b) When you get your Physical Security Key you will need to activate it and create a PIN which you will need every time you use the Physical Security Key. You can generate security codes for use in Digital Banking using your Physical Security Key.
- (c) Once activated, your Physical Security Key is a Security Credential.

5.6 You must keep your Physical Security Key safe and if you think or know that it is lost or stolen you must tell us straight away. Phone us at 0818 365 365/+353 1 404 4000. You may also contact us free of charge on the Freephone number listed on our website bankofireland.com.

5.7 We may ask you to answer security questions, or to use another Security Credential or a combination of Security Credentials (for example your passcode), before allowing you use a Service.

5.8 You must keep your Security Credentials secret and safe and must never share them with anyone. You must not write down or record any of them in a way that would let someone else use any of them against your will.

5.9 If you know or suspect your Security Credentials are known by someone who should not know them or your Registered Device or Physical Security Key is lost or stolen, you must tell us straight away. Phone us at 0818 365 365/+353 1 404 4000. You may also contact us free of charge on the Freephone number listed on our website bankofireland.com.

5.10 After your initial registration we will never contact you to request all your Security Credentials and we will not ask anyone else to do so on our behalf. If you receive such a request you must not supply your Security Credentials in any circumstances, and should report such activity to us immediately.

5.11 We may use software, cookies and other technologies to help us identify you to help us detect fraudulent behaviour and patterns. We may also use those technologies to check for viruses or other harmful programmes (such as malware) on the computer or Mobile Device you use to access Digital Banking. In the event we suspect or detect any fraud or unauthorised activity on your Account, we will advise you via phone call, SMS message or email as appropriate. If we deem

it necessary we may block your Account and will advise you of the block and how it may be removed.

- 5.12 You must maintain suitable equipment to enable you use Digital Banking services, for example, a computer with a suitable browser and up-to-date security software. Further details are available under accessibility section of bankofireland.com.
- 5.13 We put reasonable IT security measures in place. We cannot, however, guarantee the privacy or security of any information that concerns you and passes over the internet. This is because of the nature of the internet. If you use Digital Banking, you acknowledge and accept these risks. For example, you acknowledge it is possible for a person to intercept or interfere with e-mails.
- 5.14 You use our Digital Banking channels at your own risk. Our website gives you information and nothing in it is:
- (a) an offer as understood in contract law;
 - (b) an invitation to invest;
 - (c) an invitation to take investment, financial or banking services from us.
- 5.15 We claim copyright in the contents of our website. You cannot copy or use any of this content by any means unless we agree in writing beforehand.

6.0 When we Act on your Instructions

- 6.1 You permit us to act on any Instruction you give us, or which appears to have been given by you (including through a third party for example a TPP), whether submitted via 365 Phone or Digital Banking. Other than provided at clause 6.4, you cannot withdraw this permission.
- 6.2 Once an Instruction is received with the correct Security Credentials, you agree that we can act on it. You understand we do not make any more security checks. Where an Instruction relates to a payment, you give your consent to the payment by providing us with the correct Security Credentials and you agree that we can process (use) your personal data to obey your Instruction and to give you the service.
- 6.3 We can only act on your Instructions when we get them. You acknowledge and agree there may be a time lag between the time you or a third party (such as a TPP) instructs us online and when we get that Instruction, and we can take no responsibility where the delay is beyond our reasonable control.
- 6.4 You agree that all Instructions, other than Instructions for Future Dated Payments, are, subject to relevant Cut-Off Times, considered to be Instructions for immediate processing, and are considered irrevocable. Instructions for Future Dated Payments are deemed irrevocable at midnight on the Banking Day prior to the Banking Day upon which the Future Dated Payment is scheduled to be processed. You can ask us to cancel or amend any Instruction, but we may not be able to do so. We will have no liability to you in respect of any such

request to cancel or amend a previously issued Instruction where we are unable to do so.

Remember to check Cut-Off times for Instructions.

- 6.5 If we receive an Instruction that does not have the information that we need to identify the Designated Account, for example IBAN and BIC, Account Number and Sort Code, we may refuse to process it. We will tell you if we refuse to process an Instruction for this reason. We will not be liable to you or anyone else if that results in any loss or expense.
- 6.6 We can refuse to process an Instruction if you do not have enough money in your Account (or enough unused agreed overdraft limit on your Account) to make the payment. We will not be liable to you or anyone else for any loss or expense this causes.
- 6.7 Sometimes we need to use the Society for Worldwide Interbank Financial Telecommunications (SWIFT) to carry out an instruction from you to make a payment. SWIFT is based in Belgium and has centres in Europe and the United States of America. Your transaction data can be stored for a time in these centres.

7.0 Joint and Several Liability

If you have a joint account you are both (or all) equally liable to us for anything that we are owed on the Account. One of you will be able to give us an Instruction on the Account without getting permission from the other person (or other people). We can send notices and letters to just one of you and the terms and conditions say that's enough to notify both (or all) of you.

- 7.1 If your Account is held in the name of two or more persons at any time, any one of you may, acting alone be able to use the Services. Each of you who want to use the Services must register and apply for your own separate 365 PIN, User ID and any other Security Credentials required.
- 7.2 If your Account is held jointly in the name of two or more persons at any time, each of you is jointly and severally liable under these terms and conditions and for any Instruction we get from any of you. This means we can ask all or any one of you alone to pay us any money owing to us and meet any obligation arising from these terms and conditions or any Instruction any of you give us.
- 7.3 Unless we have agreed that we need the consent of each joint account holder or have a legal obligation to get this consent, we can act on the Instructions of only one of you. This means any one of you can ask us to do certain things with the Account without the other account holders knowing, including closing the Account, taking all or any money out of the Account, asking for communications (including statements) to

be provided electronically or on paper, applying for credit or ending services.

7.4 When we send any notice to any one of you (including any eStatement or statement or document in paper form) this will be deemed to be notice to all of you.

7.5 Unless we have a legal obligation to do so we won't ordinarily ask or enquire about the reasons for any instructions or reconfirm these instructions with any other Joint Account Holder even when there is a dispute among the Joint Account Holders.

8.0 Recording

8.1 We record the Instructions you give us. If there is a dispute between you and us concerning the services, we may give our records as evidence in any way that the law allows for.

9.0 Account Balances

If you need a conclusive balance of your Account please contact us.

9.1 We will include the following things in the Account balance that we provide on that Day of Access:

9.1.1 The amount in the Account at close of business on the Banking Day before the Day of Access; and

9.1.2 (for information only) the value of all payments in or out of your Account which are made (or where value is due to be paid) on the Day of Access.

9.2 If you are checking the balance on your business credit card Accounts, we will tell you the balance on the Account at close of business one Banking Day before the Day of Access. We may not include the things mentioned in Clause 9.1.2. This Clause 9.2 is an exception to Clause 9.1.

9.3 We make every reasonable effort to ensure the information we give you and any third party (for example a TPP) about balances is accurate, complete and up to date. However:

9.3.1 This is not always possible because for example your account balance may not reflect any debit or credit transfers made since the previous Business Day;

9.3.2 This means the information we give you is not conclusive evidence of the state of your Account (if you need a conclusive statement, please contact your branch);

9.3.3 If you rely (or someone else relies) on information on your Account accessed through Digital Banking and you have not asked your branch for a conclusive statement we will not compensate you or anyone else for any loss or expense which occurs as a result of relying on information on Digital Banking where it is different from what a conclusive statement would show.

10.0 Managing Direct Debits

- 10.1 Direct debit payments are made under the SEPA Direct Debit Scheme and all direct debit payments are processed in accordance with the relevant SEPA Direct Debit Scheme Rules.
- 10.2 You can manage your SEPA direct debits using the Direct Debit Services. If you wish to avail of any of the available direct debit services, you must complete and submit the relevant direct debit service application form. In order to ensure that your instructions can be processed as required, you must submit any such instruction by close of business on the Banking Day before you wish the instruction to be effective.

11.0 Charges

- 11.1 We can introduce charges for the Services but, if we do, we will tell you before we introduce them. The amount of notice that we will give you will follow the laws and regulations that apply at that time.
- 11.2 There may be fees and charges which apply under the terms and conditions of your Account. You can find details of the relevant fees or charges in the relevant Schedule of Fees and Charges which are available from your branch or online at bankofireland.com.
- 11.3 Our Schedule of International Transaction Charges shows our charges for international payments, travel money and other services. It is available from your branch, or online at bankofireland.com.
- 11.4 We do not levy any additional charges for Bank of Ireland Mobile Banking, however your mobile network operator may charge you for using or accessing the mobile network service. Any charges applied by your mobile network operator are beyond our control and you should refer to your mobile network operator for details of such charges.
- 11.5 We can change our fees or charges at any time for valid reasons (as set out in Clause 12.2), but will tell you before we do and the amount of notice that we will give you will follow the laws and regulations that apply at that time.
- 11.6 If you use a TPP for services that concern your Account, the TPP will charge their own fees and charges for them. Anything you owe a TPP is in addition to any fees or charges you owe us on your Account(s) or for using Digital Banking.

12.0 Changes to these Terms and Conditions, and to the Services

- 12.1 We may for a valid reason:
- (a) add to or change these terms and conditions at any time, for example, to meet new regulatory requirements or to enhance security.
 - (b) remove or change a service or add a new one at any time.
 - (c) introduce fees or change the fees and charges we apply.

- 12.2 Here are examples of valid reasons for us to make any such change:
- (a) to better comply with a law, regulation or other legal duty;
 - (b) to reflect a change in the law, code of practice, or a decision, recommendation by a court, ombudsman or regulator;
 - (c) to improve the services we provide customers;
 - (d) to remove (or change) a service if continuing it (or not changing it) is not cost effective or sustainable or does not make a reasonable profit or provide a reasonable return on investment or equity;
 - (e) to reflect changes in our business model, or the way we do business;
 - (f) to reflect changes in technology or in our systems or to maintain our systems;
 - (g) to deal with threats to the integrity of our systems;
 - (h) for a reason that is related to any of the previous ones.
- 12.3 We will tell you in advance if we make any of these changes and we will give you a valid reason for any such change.
- 12.4 The type and amount of notice of change that we will give you will follow the laws and regulations that apply at that time, and may be in writing, by letter, electronic mail, telephone (including recorded message) or other means of communication we deem appropriate.
- 12.5 If we change or add to these terms and conditions, and you do not wish to accept the change, you may end this contract (there will be no charge for doing this), but first you must pay us any charges that you already owe relating to the services or these terms and conditions.
- 12.6 If you do not ask us to end this contract under Clause 12.5, you are deemed to accept the changes which we tell you about under Clause 12.3 on their effective date. We may change our rules concerning the Services (for example transaction limits or daily limits) at any time and without telling you in advance. We will, however, provide notice about these changes, in accordance with any applicable laws.

13.0 Our Responsibilities

- 13.1 If we make a mistake when we carry out an Instruction, we will correct that mistake. If necessary, we will pay money into your Account and correct our records of your Account. The amount we pay will ensure that your Account is restored to the way it would have been if the Instruction had not been carried out.
- 13.2 Sometimes, we may not be able to provide you or third party (such as a TPP) with a Service because of circumstances beyond our reasonable control, for example:
- (a) a natural event such as adverse weather, an earthquake, a solar storm, flooding;
 - (b) war or civil disturbance;
 - (c) a health event including a pandemic;
 - (d) strikes and industrial action;
 - (e) electricity failure, surges or fluctuation;

- (f) failure of telephones, telephone systems, email, the internet, or of other electronic equipment (including software and networks).
- 13.3 Sometimes, the Services may not be available or may not work properly despite our reasonable efforts to maintain them. This may be due to a fault or malfunction of a system used to deliver the Services or due to general maintenance requirements.
- 13.4 We are not liable to you or anyone else for any loss or expense caused if the Services are not available or are not working properly for any of the reasons outlined in Clause 13.2. We are not liable to you or anyone else for any loss or expense caused if we need to suspend the Services for a temporary and reasonable period to rectify any of the issues outlined in Clause 13.3.
- 13.5 We will not be responsible for any losses caused if:
 - (a) we make a payment in accordance with an Instruction and that Instruction contained an incorrect IBAN or BIC, or account number or sort code, or equivalent account details supplied by you or a third party (such as a TPP), (and where we have carried out Verification of Payee as required if your payment was a SEPA Credit Transfer or a SEPA Instant Credit Transfer);
 - (b) if we can show that a payment was made by us and received by the payee's bank within the time set out in these terms and conditions; or
 - (c) the payment is not possible due to a regulatory or other legal reason.

You may need to use a BIC and IBAN and Name to give us Instructions. You need to make sure these are sent to us correctly because you might lose money if not.

- 13.6 We will make every reasonable effort to get back any money involved in the transaction, but we may charge you for any reasonable costs that we have to pay.
- 13.7 We may provide you with alert services. If we do, the details provided to you may change before and after you receive them. We're not responsible for any loss, cost or charge you incur if alert services are unavailable for any reason.

14.0 Your Responsibilities

You must tell us as soon as possible about an unauthorised transaction or loss or misuse of a Security Credential to help limit any loss to you.

- 14.1 If an unauthorised transaction occurs on your Account, you must tell us as soon as possible, but no later than 13 months after the date of the transaction. To report an unauthorised transaction, you may contact us free of charge via the Freephone number listed on our website [bankofireland.com](https://www.bankofireland.com).

- 14.2 If an unauthorised transaction is made from your Account, we will refund your Account and (if necessary) will correct our records of your Account. It shall be the responsibility of Customers who are not Consumers or Microenterprises to demonstrate to the satisfaction of the Bank that any such transaction was actually unauthorised or incorrectly executed. The amount we pay will ensure that your Account is restored to the way it would have been if the unauthorised transaction had not happened.
- 14.3 Despite Clause 14.2:
- (a) You will be liable for the full amount of the unauthorised transaction if it was made because you have acted fraudulently or because you intentionally or with gross negligence breach these terms and conditions.
 - (b) If any unauthorised payments came about because a Security Credential (for example a 365 PIN, Physical Security Key or a Registered Device) was lost, stolen or misused, the maximum you will have to pay if you are not a Consumer or Microenterprise is €50, once you had reported the loss, theft or misuse to us without undue delay. You must take all reasonable steps to prevent loss, theft or fraudulent misuse of your Security Credentials. If you are a Consumer or Microenterprise and the loss, theft or misuse of any security credential was not detectable to you then you will have no liability. If you are not a Consumer or Microenterprise your liability is unlimited.
- 14.4 You agree to cooperate with us and give us information we ask for if you have a complaint about your Account and we suspect that a TPP may be responsible for it, for example, because we suspect it is the TPP's fault that an instruction was not carried out or was carried out wrongly or too late.

15.0 Reading this Document

- 15.1 Each of these terms and conditions is separate from the others. If any of them is illegal or cannot be enforced, the rest will remain in full force and effect.
- 15.2 If we do not enforce the rights we have under these terms and conditions or we delay enforcing them, we may still enforce those rights in the future. This applies even if we did not enforce or delayed enforcing those rights on many occasions.
- 15.3 In these terms and conditions we sometimes give an example of something covered by a clause or definition. We do this to assist you. The scope of these terms and conditions is not limited to these examples.
- 15.4 Headings and summaries in boxes used in these terms and conditions are there to assist you and do not form part of the legal agreement between you and us so they do not affect or limit the meaning of any of these terms and conditions.
- 15.5 A reference to the singular includes a reference to the plural

and vice versa, where this makes sense. A reference to any gender includes all genders.

- 15.6 Any reference to law in these terms and conditions should be read to reflect later changes in the law.
- 15.7 Any reference to “write”, “writing”, “written”, any other form of the verb to write (or to something that can be read) includes the following: (a) an electronic or digital instruction, signature or receipt from you where we offer you the service to make those things available electronically or digitally; and (b) any email, SMS (text message to a mobile phone), pop up on the Bank of Ireland app, by facsimile or other electronic communication where you have given us contact details for any such means of communication.
- 15.8 This clause only applies to these terms and conditions if you entered them on or after 29 November 2022 and where you are a consumer under the Consumer Rights Act 2022. Nothing in these terms and conditions (a) takes away from any statutory liability (legal duty) we have to you under Part 4 of the Consumer Rights Act 2022 (our “Part 4 Liabilities”) or (b) excludes or restricts any of our Part 4 Liabilities. Nothing in these terms and conditions is to be interpreted to exclude or restrict any of our Part 4 Liabilities. Here are examples of our Part 4 Liabilities: our duty to supply a service in conformity with a contract under which we supply a service to you which includes meeting the tests for subjective and objective conformity set out in Part 4 of the Act; our duty to you under any implied term that Part 4 makes part of our contract with you to supply a service; our duty to charge a reasonable price for a service where a contract between you and us does not set one out.
- 15.9 Any reference in these terms and conditions to us being liable to you or anyone else includes any liability for loss, expense or damage to property or reputation.

16.0 Making a Complaint

- 16.1 We’re committed to providing you with excellent service at all times and hope we do not give you grounds to complain. However, if you wish to make a complaint you may do so in a number of ways. You can call or write to us, avail of our online complaints form, and advise our branch teams (bankofireland.com/help-centre/customer-complaints-process provides further details about these channels and our complaints process).
- 16.2 If we cannot resolve your complaint within five working days, we will respond to your complaint in writing or if we hold an email address or mobile contact details for you, you agree we may respond by email or another durable medium.
- 16.3 If you are not satisfied with our response you can refer the matter to the Financial Services and Pensions Ombudsman by writing to them at:
The Financial Services and Pensions Ombudsman,

Lincoln House, Lincoln Place, Dublin 2, D02 VH29. You can find more information on how to access their resolution process by visiting their website at (fspo.ie).

17.0 Ending this Agreement

- 17.1 You may ask us in writing to end this agreement at any time. If you do, these terms and conditions will come to an end once you have paid everything you owe us in relation to the Services, and these terms and conditions.
- 17.2 We may end this agreement and stop a Service or Services by giving you two months' notice.
- 17.3 We may end this agreement immediately, stop the Services or block any payments if:
- (a) you die;
 - (b) you are declared bankrupt or insolvent in the Republic of Ireland or anywhere else;
 - (c) you have failed security checks;
 - (d) we have reason to suspect there is unauthorised or fraudulent activity on your Account, even where we think you are innocent;
 - (e) we are required to do so by law, regulation or direction from an authority we have a duty to obey;
 - (f) you have breached these terms and conditions in such a way that we know or reasonably believe it is appropriate (in your interest or ours) to close or block your account immediately;
 - (g) you have breached the terms and conditions of any of your Bank of Ireland accounts in such a way that we know or reasonably believe it is appropriate (in your interest or ours) to close or block your account immediately.
- 17.4 We do not have to notify you beforehand if we stop, restrict or block the Services for any reason listed above. We are not liable to you or anyone else if we stop or block the Services for any reason listed above. We will tell you how the stop or block on the Services can be removed (if it can be).
- 17.5 If you close your account(s), you may no longer be able to use the Services. If you have any queries, please contact 365 on 0818 365 365/+353 1 404 4000.

18.0 Law and Language

- 18.1 These terms and conditions and any matter arising from the services are governed by the laws of the Republic of Ireland. This will be so even if a court or tribunal outside the Republic of Ireland deals with them. The courts of the Republic of Ireland will have jurisdiction in connection with any dispute about or relating to these terms and conditions and the services. That jurisdiction is exclusive except where you entered these terms and conditions on or after 29 November 2022, you are a consumer under the Consumer Rights Act 2022 and you are not ordinarily resident in the Republic of Ireland.

- 18.2 The English language is and will be used for the purpose of interpreting these Terms and Conditions and for all communication in connection with the Account and/or the Services.
- 18.3 Any references to law or taxation in these terms and conditions are accurate on the print date, and should be read to reflect later changes in the law or taxation.

19.0 International (Non SEPA) Credit Transfers

- 19.1 An international (non SEPA) credit transfer is a non-euro payment by you from your Account to a Designated Account outside the Republic of Ireland or a euro payment to a Designated Account outside the SEPA zone. We will advise you how to register for the international (non SEPA) credit transfer service. We can change the way you register for these services at any time. We will decide if a proposed Designated Account may be registered to receive international (non SEPA) transfers from you.
- 19.2 If we do agree to do this, you must give us the other person's IBAN and BIC (or equivalent account details), and any other information we need to register that person's account as a Designated Account.
- 19.3 We keep a record when you register for our international (non SEPA) credit transfer services and give us instructions relating to them. We may give our records as evidence of your registration or instruction in any way that the law allows for. You agree we can assume any registration or instruction comes from you where the Services have been accessed using Security Credentials, whether you use them or, someone else uses them where you have allowed them to do that, despite the rules in these terms and conditions which tell you not to share your Security Credentials.
- 19.4 Before you can make your first international (non SEPA) credit transfer to a Designated Account, we will require you to authenticate that Designated Account using your Security Credentials (or a combination of them).
- 19.5 You cannot use the international (non SEPA) credit transfer service to transfer money from any loan account or credit card account you have with us or one of our subsidiaries.
- 19.6 Maximum transaction and daily limits apply to the amount you can pay from your Account in any Banking Day using our international (non SEPA) payment service. We can change these limits at any time. Details of the current limits are available when you use the service.
- 19.7 We accept international (non SEPA) credit transfer instructions at any time. If you give us an international (non SEPA) credit transfer instruction to pay money from your Account, we treat the international (non SEPA) credit transfer instruction as given on the Banking Day ("D") on which we actually get it, so long as it is received by us before the Cut-Off Time for that international (non SEPA) payment. If we receive it after the Cut-Off Time it will be treated as received by us on the

next Banking Day. If it is a payment in Sterling or another EEA currency (non-euro) and the payee's bank is in the EEA we will ensure the payee's bank is paid within three Banking Days of D.

- 19.8 Other payments may take longer to process.
- 19.9 The financial institution where the Designated Account is held controls payment into that account. We are not responsible for that.
- 19.10 If we need to convert one currency to another to carry out your instruction, we will use our foreign exchange rates. We will tell you what they are when you give us your instruction.

20.0 Standing Orders

Setting up and cancelling standing orders are subject to Cut-Off times.

- 20.1 You can set up standing orders on your Current Account. We require you to register this with us first and to verify your registration using Security Credentials (or any combination of them).
- 20.2 We keep a record when you register for a standing order and give us instructions about it. We may give our records as evidence of any such registration or instruction in any way the law allows for. You also agree we can assume any registration or instruction comes from you where the Services have been accessed using Security Credentials, whether you use them or, someone else uses them where you have allowed them to do that, despite the rules in these terms and conditions which tell you not to share your Security Credentials.
- 20.3 If you wish to cancel a standing order or standing order payment, you must instruct us by close of business one Banking Day before the payment is due. If your instruction arrives later than that we won't have time to obey it before the (next) standing order is due. If that happens, we are not at fault and we will not be liable for any loss or expense caused to you or anyone else. You can find out about our up-to-date Cut-Off times on [bankofireland.com](https://www.bankofireland.com).

21.0 eStatements

If your Account is registered on 365 online you will get e-statements.

- 21.1 Once an eligible Account is registered on 365 online, you will have access to eStatements for your Account and you will not receive paper versions of some or all documents or statements for your Account. If you request a paper copy of an eStatement we will treat this as a request for a duplicate statement and it will be managed in line with our duplicate statement process (which may include a fee). You agree that any obligation to provide you with documents or statements

in these terms and conditions or any other terms and conditions agreed between you and us, are satisfied when we provide you with the relevant document or eStatement or make it available to you. Any reference to documents or statements in these terms and conditions or any other terms and conditions agreed between us, shall include a reference to documents in electronic form and eStatements as the reference so requires.

- 21.2 eStatements can be viewed, saved or printed in PDF format. When accessed the PDF will open in a separate window and will not time out. It is your responsibility to view the eStatement in a safe and private place and to close the window when you finish viewing the eStatement.
- 21.3 eStatements will be stored by us and accessible by you for a period of seven (7) years from the date they become available. You can at any time during this period download, or print and retain, a copy of the eStatement. If, however, you close an Account with us, or terminate this Agreement, the relevant eStatements will no longer be available, and you should download or print any eStatements required prior to closing any Account or terminating this Agreement.
- 21.4 We will send a notification by email, SMS, or other channel using the details you have provided through 365 online when a new eStatement or document is available. It is your responsibility to update your contact details if they change. You can do this through 365 online. You may be able to opt out of receiving some notifications by editing your preferences through 365 online. You will be deemed to have received an eStatement once that eStatement is available through 365 online.
- 21.5 The provisions of Section 9 of these terms and conditions DO NOT apply to any account balance, or transaction details, provided via this eStatement service, and any account details provided via eStatement may be considered as conclusive evidence of the state of your Account.

22.0 Bank of Ireland Mobile Banking

The provisions of this clause 22 relate to the use of Bank of Ireland Mobile Banking and supplements the General Terms which apply to 365 online (the "General Terms"). Bank of Ireland Mobile Banking is a form of online banking, and all Services provided, and instructions processed, via Bank of Ireland Mobile Banking are provided and processed in accordance with the relevant provisions of the General Terms. If you do not use Bank of Ireland Mobile Banking, this clause does not apply to you.

- 22.1 In order to use Bank of Ireland Mobile Banking you must be a registered 365 online user, and must have downloaded the Bank of Ireland App from the relevant app store. You will then be able to access Bank of Ireland Mobile Banking, and the available Services, using your Security Credentials.
- 22.2 Because Bank of Ireland Mobile Banking gives you access to your Accounts and/or Policies, you must keep your Registered

Device secure and close the Bank of Ireland App if you are not using it. The conditions relating to Security set out in your General Terms equally apply in relation to use of the Bank of Ireland App.

22.3 If you suspect that someone else knows your User ID, PIN, 365 PIN, Passcode, or other Security Credentials or your Registered Device or Physical Security Key is lost or stolen you must tell us straight away. Phone us on 0818 365 365/+353 1 404 4000. You may also phone us free of charge on the Freephone number listed on our website [bankofireland.com](https://www.bankofireland.com). If you fail to do so, you may be liable for any unauthorised transactions on your Account which are as a result of your Security Credentials becoming known to someone else or your Registered Device or Physical Security Key is lost or stolen. If the loss, theft or misuse of any Security Credential was not detectable to you then you will have no liability.

22.4 We will not be liable to you for any losses you suffer or costs you incur because of circumstances beyond our reasonable control. For example:

- (a) you are unable to access or use Bank of Ireland Mobile Banking for any reason;
- (b) any device, hardware or software you use in connection with the Bank of Ireland App is damaged or corrupted or fails to work;
- (c) you did not receive any SMS notifications or Push Notifications in a timely manner for reasons beyond our control; or
- (d) there is a temporary reduced level or failure to provide any Service caused by any third party service providers including software providers and mobile operators.

22.5 You must keep all software (including antivirus software) on your Mobile Device up to date. From time to time updates to the Bank of Ireland App may be issued and depending on the update, you may not be able to use Bank of Ireland Mobile Banking until you have downloaded the latest version of the app and accepted any new terms.

22.6 Your Registered Device is your responsibility. Do not leave it unattended or accessible to unauthorised persons.

22.7 When you enable biometric data on your Registered Device (for example Face ID and Touch ID on Apple devices, and facial recognition and fingerprint on Android), it is important that you only register your own biometric data, because this is what may be used as your Security Credentials when you access your 365 online profile and Accounts.

22.8 Do not allow anyone else to use their biometric data on your Registered Device, because this may give them access to your Accounts. They may then be able to give us Instructions and/or make payments (this includes payments through your Digital Card or Bank of Ireland Mobile Banking). If someone else's biometric data is used in this way, we will consider it to be authorised by you, and you will be responsible for it.

Do not allow anyone else to use their biometric data on your Registered Device because they may be able to access your Accounts and give us Instructions.

- 22.9 You must delete the Bank of Ireland App from a Registered Device before you discard it.
- 22.10 Bank of Ireland Mobile Banking uses cookies and similar technologies ('cookies') when you register, to authenticate you when you use the Service, to help us detect fraudulent behaviour and patterns and to generally improve your experience on Bank of Ireland Mobile Banking. You can find more information on how we use cookies in our Cookie Policy available on our website or on Bank of Ireland Mobile Banking. Certain Services, such as the ATM/branch Locator, also make use of location data sent from your Mobile Device. You will be asked to provide your consent to our processing and use of your location data if you wish to use any location-based products and services we make available. You may withdraw this consent at any time by turning off the location services settings on your Mobile Device or on the Bank of Ireland app.
- 22.11 We provide the Bank of Ireland App "as is" and it may not be compatible with out of date hardware and software. We grant you a non-exclusive licence to use the Bank of Ireland App solely for the purposes of using the mobile banking services. You agree that all intellectual property rights in and to the Bank of Ireland App are and remain the property of Bank of Ireland and you agree that you shall not copy, modify or adapt the Bank of Ireland App in any way. The licence granted above will expire upon termination of this Agreement by either of us. You are deemed to have accepted this licence and the terms of the licence by downloading the Bank of Ireland App to your Mobile Device.
- 22.12 Whilst we put reasonable IT security measures in place, we cannot guarantee the privacy or security of any information that concerns you, and passes over the internet, or via mobile networks. If you use Bank of Ireland Mobile Banking, you acknowledge and accept these risks.
- 22.13 We may send you information in a number of ways (as allowed by law), including by digital messages or Push Notifications through the Bank of Ireland App.

The following sections of Clause 22 only apply to Pay to Mobile:

- 22.14 Pay to Mobile allows you to make payments to or receive payments from our other customers within the Republic of Ireland only. All payment instructions received by us via Pay to Mobile are processed in accordance with the relevant provisions of the General Terms.
- 22.15 To send and receive Pay to Mobile payments, you must have completed the following:
 - (a) registration for 365 online services;

- (b) registration of your mobile phone number using your Security Credentials;
 - (c) download of the Bank of Ireland Mobile Banking App;
 - (d) registration of your mobile phone number and the Account you would like to receive Pay to Mobile payments into on Digital Banking using your Security Credentials. We can change the way you register for these services at any time.
- 22.16 To receive Pay to Mobile payments only, you must have completed the following:
- (a) registration for 365 online services;
 - (b) registration of your mobile phone number using your Security Credentials;
 - (c) registration of your mobile phone number and the Account you would like to receive Pay to Mobile payments into on Digital Banking using your Security Credentials. We can change the way you register for these services at any time.
- 22.17 Once you are registered to send Pay to Mobile payments you can make payments via the Bank of Ireland App by inputting the payee's mobile phone number and providing Security Credentials. By selecting a contact when using Pay to Mobile to make an instruction, you consent to the Bank of Ireland App accessing data in your address book. Before doing this, you must ensure that (i) the payee is registered to receive Pay to Mobile payments and (ii) the payee's mobile phone number you use is correct as we will not be responsible if you send money to the wrong payee. We will make every reasonable effort to get back any money involved in the transaction, but we may charge you for any reasonable costs that we have to pay. Should the payee not be registered for Pay to Mobile, you will receive a notification informing you that the payee has not registered to receive Pay to Mobile payments and no payment will be made. We will not be liable to you or anyone else for any losses you suffer or losses you incur if you attempt to send a payment to a payee who is not registered to receive Pay to Mobile payments. Please note that you cannot make Future Dated Payments using Pay to Mobile.
- 22.18 Once you send a Pay to Mobile payment to a registered Pay to Mobile payee, you will receive an SMS message confirming that your Pay to Mobile payment has been sent from your registered Account. The registered Pay to Mobile payee will also receive a SMS message confirming that your Pay to Mobile instruction has been made to their registered Account.
- 22.19 We do not charge you for sending or receiving payments through Pay to Mobile (network charges may apply for using the Bank of Ireland App). Please see Clause 11 for further details on our charges generally.
- 22.20 You authorise us to disclose your mobile phone number when you use Pay to Mobile or when we process your request or display this information in messages sent to any payer or payee. We will use any information you provide to us in

connection with sending or receiving Pay to Mobile payments only for the purposes of administering those payments and to contact you via your registered mobile phone number in relation to your Pay to Mobile payments.

- 22.21 Because Pay to Mobile can be used to make payments via the Bank of Ireland Mobile Banking App, you must keep your Mobile Device secure and not logged into the Bank of Ireland Mobile Banking App.
- 22.22 We will not be liable to you or anyone else for any losses you suffer or costs you incur because of circumstances beyond our reasonable control. For example:
- (a) you are unable to access or use Pay to Mobile;
 - (b) any device, hardware or software you use in connection with Pay to Mobile is damaged or corrupted or fails to work;
 - (c) you did not receive any SMS notifications in a timely manner for reasons beyond our control; or
 - (d) there is a temporary reduced level or failure to provide any Service caused by any third party service providers including software providers and mobile operators.
- 22.23 Minimum and maximum transaction and daily limits apply to the amount you can send or receive using Pay to Mobile. We can change these limits at any time. Details of the current limits are available when you use the Pay to Mobile service.
- 22.24 We keep a record when you register to make Pay to Mobile payments and when you instruct us about this type of payment. We may give our records as evidence of your registration or instruction in any way the law allows for. You agree we can assume any registration or instruction comes from you where the Services have been accessed using Security Credentials, whether you use them or, someone else uses them where you have allowed them to do that, despite the rules in these terms and conditions which tell you not to share your Security Credentials.
- 22.25 You cannot use the Pay to Mobile service to transfer money from any loan or credit card account you have with us or one of our subsidiaries.

23.0 Digital Financial Wellbeing

Tools alerts and insights are not financial advice or recommendations.

- 23.1 We provide a range of digital financial wellbeing services through Digital Banking. These digital financial wellbeing services include financial tools, alerts or insights based on your Account activity. These tools, alerts and insights are provided for information purposes only and do not represent financial advice or recommendations.
- 23.2 To provide digital financial wellbeing services, we need to monitor and analyse your Accounts. Using your Account information, we can identify transactions or activities (for

- example, recurring payments, low balances, upcoming bills or spending patterns) and provide you with insights or alerts to help you manage your finances. These tools, insights and alerts will be displayed to you through Digital Banking. We may also in the future, send you alerts (including using Push Notifications) to make you aware of these tools and insights.
- 23.3 If we send you alerts or present you with insights, we cannot guarantee that you will always receive those alerts or insights or that you will receive them in a timely manner relevant to the information for every alert or insight that is generated. Alerts may not be sent or insights may not be presented on a “real time” basis and may instead be sent at the next scheduled delivery time and you should therefore not treat all alerts or insights as providing “real time” information in relation to your account.
- 23.4 The insights and alerts we may provide to you are for information purposes only based on your transaction history and do not comprise advice or recommendations. Any information that we provide through insights or alerts is designed to help you improve your digital financial wellbeing. It is not financial, professional, legal or tax advice and you should seek your own independent advice on these matters.
- 23.5 To be able to use digital financial wellbeing services:
- (a) You must be registered for Digital Banking and use the most up-to-date security software and version of the Bank of Ireland App or website browser; and
 - (b) You must be a personal banking Accountholder. Digital financial wellbeing service are not currently available for business banking or corporate customers.
- 23.6 Digital financial wellbeing services may not be able to provide insights or alerts for all accounts or customers. More detailed information on the accounts which can be included in digital financial wellbeing services or any exclusions, are available on our website. Currently, the following are excluded from digital financial wellbeing services:
- (a) The details provided to you in an insight or alert do not include in progress transactions;
 - (b) Additional Cardholders will not have transactions carried out using an additional card included in their insights or alerts; and
 - (c) Where you have accounts with us in more than one jurisdiction, insights or alerts will only be served on your primary account.
- If you have multiple current accounts with us, insights or alerts will be served on your accounts on a combined basis.

- 1.33 **"Passcode"** means a unique code you will set on your Registered Device, which we may ask for to access the Services.
- 1.34 **"Payee"** means a person (a human being) or business who you want to pay money to.
- 1.35 **"Payment Account"** means an account that is of a type that we list as a payment account on bankofireland.com.
- 1.36 **"Payment Initiation Service Provider" or "PISP"** means a Third Party Provider that provides a service in which the PISP gives instructions to us on your behalf to carry out a payment instruction on your Online Payment Accounts where payments can be made using Digital Banking.
- 1.37 **"Person"** means a human being, corporation, partnership or organisation.
- 1.38 **"Physical Security Key"** is a small hand held physical device that can generate security codes for use in Digital Banking and be used by you as a Security Credential.
- 1.39 **"Policy"** means your New Ireland Assurance Company plc (NIAC) or Bank of Ireland Life (BIL) life assurance or pension policy in respect of which we provide the Services. Bank of Ireland Life is a trading name of New Ireland Assurance Company plc. New Ireland Assurance Company plc, a life assurance undertaking, is a member of Bank of Ireland Group.
- 1.40 **"Push Notification"** means a message we may send to your Registered Device using the Bank of Ireland Mobile Banking App. For example, Push Notifications will be used to ask you to approve or consent to certain Services or Instructions or to notify you when we provide you with important information.
- 1.41 **"Registered Device"** means your Mobile Device on which you have installed and registered the Bank of Ireland App by following the instructions we give you.
- 1.42 **"Registered Mobile Phone Number"** means the mobile phone number which is linked to you by us for use of the Bank of Ireland App and may be registered by us as part of the Zippay service.

- 1.43 **"Security Credentials"** means the personalised security features we require you to use now or in future to (a) access your Account through our online, phone and mobile banking channels; and (b) to authorise transactions on your Account. Sometimes we will give you the Security Credentials; in other cases we will ask you to choose them. These are examples of Security Credentials: a personal identification number (PIN), password, one time passcode, passcode, security number or code (including those generated by a Physical Security Key), a response to a Push Notification, your Registered Device, your fingerprint or other distinctive personal characteristics, or any combination of these features or other ones we require now or in future.
- 1.44 **"SEPA"** means Single Euro Payments Area, a European banking initiative which aims to create one single, integrated and standardised payments market in Europe.
- 1.45 **"SEPA Credit Transfer"** means a non-urgent Euro payment made within the SEPA Zone and which is subject to the SEPA Credit Transfer or the SEPA Direct Debit Scheme Rules. It may also be referred to as a **"SEPA Payment"**.
- 1.46 **"SEPA Instant Credit Transfer"** means a Euro payment made within the SEPA Zone which when executed (and if successful) is credited to the Payee (within ten seconds), 24 hours a day and on any calendar day and which is subject to the SEPA Instant Credit Transfer Scheme Rules. It may also be referred to as an **"Instant Payment"** or a **"SEPA Instant Payment"**.
- 1.47 **"SEPA Zone"** means the member countries of SEPA, details of which are available on Bank of Ireland website at bankofireland.com.
- 1.48 **"Service"** and **"Services"** include, but may not be limited to, the following, some or all of which are available via 365 phone and Digital Banking:
- (a) showing you your Account balance;
 - (b) giving you information about your transactions;
 - (c) setting up and viewing Standing Orders;
 - (d) the cheque search facility;
 - (e) funds transfers and payments to Designated Accounts;
 - (f) a bill pay service which you can use to pay certain utility bills;
 - (g) requesting account statements for current, savings and loan accounts;
 - (h) pay to Mobile;
 - (i) registering and viewing other BOI accounts;
 - (j) viewing recent Credit Card transactions;
 - (k) customising Current Account transaction history on screen, for example, to list categories of transactions carried out over the previous 12 months;
 - (l) the services described in Clauses 20 to 22;
 - (m) showing you your Policy details; and
 - (n) such other Services as we may introduce from time to time.

You can find an up to date list of the Services available via 365 phone or Digital Banking on bankofireland.com/digitalservices.

- 1.49 **“these terms and conditions”** means these 365 Phone and Digital Banking Terms and Conditions. The most up to date version of these terms and conditions can be found on the Bank’s website at bankofireland.com. You can also request a copy from us at any time free of charge.
- 1.50 **“Third Party Provider”** or **“TPP”** means any payment service provider that provides payment services to you or someone else that concerns your Accounts, for example an AISP and/or a PISP and/or a CBPII.
- 1.51 **“User ID”** means a unique 365 online user identification code we give you.
- 1.52 **“Verification of Payee”** also called **“VOP”** is a service we provide to check the Name of an intended Payee against the IBAN provided by you with an instruction for a SEPA Credit Transfer or SEPA Instant Credit Transfer. This service is described in more detail in clauses 4.17 – 4.27.
- 1.53 **“We”, “Bank” “us”** and **“our”** means The Governor and Company of the Bank of Ireland, having its Head Office at Baggot Plaza, 27-33 Upper Baggot St., Dublin, D04 VX58, Ireland, and its successors, and legal or equitable transferees or assignees.
- 1.54 **“You”** and **“your(s)”** means (a) an Accountholder (b) a Cardholder and (c) includes you acting on your own and through anyone else you authorise to act on your behalf, for example, a TPP.
- 1.55 **“Zippay”** means a service which allows you to send money to anyone with an account registered with Zippay using their mobile phone number (as opposed to their IBAN) to identify them. Zippay also allows you to receive money from other people who are able to use Zippay using your Registered Mobile Phone Number (as opposed to your IBAN) to identify you.
- 1.56 **“Zippay Nominated Account”** means the Bank of Ireland Account in Euro held by you that is an Eligible Zippay Account that we have registered to receive payments made through Zippay. Where you have more than one account either with us or with another Zippay Participant, an account will be selected that is deemed to be most appropriate based on account type and usage, however you can change this at any time. This means that in certain circumstances the account that is registered for Zippay may be one that is provided by another Zippay Participant and not by Bank of Ireland. If that is the case these terms and conditions will not apply to that other account in relation to the provision of Zippay.
- 1.57 **“Zippay Participant”** means a payment service provider which provides Zippay.

2.0 Accounts

2.1 You cannot use these Services unless:

- (a) the Account is in your name;
- (b) you are the beneficial owner of the money in the Account (this means, for example, you do not hold the money on behalf of someone else);
- (c) where applicable, you have sent us a mandate for the Account and we are satisfied with it; or
- (d) you are a Cardholder.

2.2 If you are a Cardholder on an Account but are not the Accountholder, your access to the Services for that Account will be limited (for example you may not be able to view balances or transactions unless the Accountholder has given us permission) in accordance with the Account terms and conditions. The Accountholder is responsible for ensuring that the Cardholder complies with these terms and conditions as applicable in their capacity as a Cardholder. The Accountholder is responsible for all transactions carried out by a Cardholder using the Services and is fully liable to pay us all amounts outstanding on the Account. You will need to use a Digital Security Key or Physical Security Key to consent to certain credit or debit card transactions.

2.3 If you select and appoint a person to use these Services:

- (a) it is your sole responsibility to make such a selection and appointment and you must satisfy yourself as to the suitability and integrity of the person chosen;
- (b) you agree that we shall not be liable to you or anyone else for any loss or expense as a result of us acting on the instructions of the person chosen by you to use these Services and that we can deal with that person as if he or she were you for the purposes of these terms and conditions;
- (c) any change in the identity of the person authorised to use these Services must be notified to us in writing by completing the relevant form and providing it to us. The relevant forms are available by calling into any branch. Such notification will be treated as effective by us from the time of receipt;
- (d) you authorise us to (but we do not have to) suspend transactions on the Account where in our sole discretion we reasonably believe we have (i) unclear authority from you or the person authorised to use the Services on your behalf or (ii) contradictory instructions in relation to the operation of the Services or the Account from two or more of the Directors, Secretary, partners, officials or persons whom we believe to be in a position of authority and we are authorised to maintain this suspension until you give a new and clear authority in the form of an Amendment Form for Existing Accounts or in another form acceptable to us. This Clause 2.3(d) is an exception to Clause 2.3(c).

- 2.4 Some of the Services forming part of 365 Phone and/or Digital Banking may not be available to you, for a valid reason, as we may advise you from time to time. Here are examples of valid reasons:
- ▶ to better comply with a law, regulation or other legal duty;
 - ▶ to reflect a change in the law, code of practice, or a decision, recommendation by a court, ombudsman or regulator;
 - ▶ to improve the services we provide customers;
 - ▶ to remove (or change) a service if continuing it (or not changing it) is not cost effective or sustainable or does not make a reasonable profit or provide a reasonable return on investment or equity;
 - ▶ to reflect changes in our business model, or the way we do business;
 - ▶ to reflect changes in technology or in our systems or to maintain our systems;
- to deal with threats to the integrity of our systems; or for a reason that is related to any of the previous ones.
- 2.5 Some of the Services on 365 phone are available as self-service instructions (in other words, you do not need to speak to an agent). When you use the self-service features of 365 phone, we may ask you to use the Bank of Ireland App as a way of confirming to us that you are who you say you are. Using the Bank of Ireland App, we may ask you to provide Security Credentials (for example, a response to a push notification sent to the Bank of Ireland App). If you do not use the Bank of Ireland App, you may need to speak to an advisor during business hours (published on the Bank of Ireland website) to use 365 phone. You may not be able to use 365 phone outside of business hours.
- 2.6 Payments to Designated Accounts using 365 phone may not be available as self-service features of 365 phone. You may only make payments (including SEPA Credit Transfers and SEPA Instant Credit Transfers) to Designated Accounts using 365 phone during business hours by speaking to a customer service agent. Please see our website for current business hours in which payments can be made.
- Third Party Providers (TPP).
- 2.7 To use the services of a TPP for your Account, you must be able to access your Online Payment Account through Digital Banking.
- 2.8 Where we provide your TPP access to your Online Payment Account, you can choose to allow your TPP to access relevant information; or make relevant payments from your Online Payment Account; or both. For more information on the types of information and payments a TPP can access and make please see [boi.com/PSD2](https://www.boi.com/PSD2).
- 2.9 You are not obliged to use the services of a TPP for your Online Payment Account but, if you do, it is your responsibility to read the terms and conditions of the TPP. It is also your responsibility to understand exactly what information the

- TPP will be able to access and how it will be used by them. This should all be covered in your agreement with the TPP. A TPP should be registered with any relevant financial services regulator in order to provide payment services to you.
- 2.10 A TPP may look for access to your Online Payment Account, for example, to provide payment or account information services to you. However, we will only allow such access where you have permitted us to allow that.
- 2.11 It is the responsibility of the TPP to ensure any information it holds about you or your Online Payment Account is secure.
- 2.12 About PISPs. If we receive an instruction from a PISP to initiate a payment on your Online Payment Account, we will treat this as an instruction from you.
- 2.13 You can instruct a PISP to initiate a payment on your Online Payment Account by following their procedures (make sure they give them to you). If you do this, you must authorise us to make the payment by using our online verification processes and your Security Credentials. Once you have authorised us in that way to make the payment initiated by the PISP we will treat the payment as though you asked us to make it yourself.
- 2.14 Once you have authorised us to proceed with a payment initiated by a PISP it can't be amended or stopped unless you ask us to amend or stop it before the relevant Cut-Off time. If you have authorised us to proceed with a SEPA Instant Credit Transfer initiated by a PISP it can't be amended or stopped.
- 2.15 If you instruct a PISP to initiate a SEPA Credit Transfer or SEPA Instant Credit Transfer on your Online Payment Account, that PISP must ensure that the Name of the Payee is correct. Please see clauses 4.17 – 4.27 for more details on the Verification of Payee service.
- 2.16 About AISPs. If we receive an instruction from an AISP to access information about your Online Payment Account, we will treat this as an instruction from you.
- 2.17 You can instruct an AISP to access and hold details of your Online Payment Account by following their procedures (make sure they give them to you). If you do this, you must authorise us to share the information with the AISP by using our online verification processes and your Security Credentials. Once you have done this, the AISP can make any number of requests for access to your Online Payment Account for up to 180 days and we will obey those requests (unless we have duly evidenced reasons relating to unauthorised or fraudulent access to your Online Payment Account, in which case we may (but are not obliged to) request that you authorise us again (in the way set out in this clause) before we share information with the AISP). Once each 180 day period passes, you need to authorise us again (in the way set out in this clause) if you wish us to continue to share information on your Online Payment Account with your AISP.
- 2.18 About CBPIIs. If we receive an instruction from an CBPII to find out whether money is available in your Online Payment

Account to meet a card payment, we will treat this as an instruction from you.

2.19 Where we provide a CBPII access to an Online Payment Account, you can instruct a CBPII to access your account by following their procedures (make sure they give them to you). If you do this, you must authorise us to share the information with the CBPII by using our online verification processes and your Security Credentials. Once you have done this you authorise us to answer a CBPII request to find out whether money is available in your Online Payment Account to meet a card payment. Once you have authorised us to share such information with the CBPII, the CBPII can make any number of requests for that information (and we will answer them) until you contact the CBPII to cancel your permission to allow them make such requests (you may need to follow their procedures to cancel your permission).

2.20 TPPs when you have a joint account. If the Online Payment Account is in the name of two or more of you, one of you can instruct a TPP to access your Online Payment Account details or initiate a payment on your Online Payment Account by using the TPP's procedures and ours. If we receive a request from a TPP to access your Online Payment Account details or initiate a payment, we respond to it as if all or both of you had made the request or asked the TPP to make it on behalf of each of you.

2.21 At any time you wish you can:

- (a) cancel any service that a TPP provides you that concerns your Online Payment Account; or
- (b) any consent or permission you give a TPP that concerns your Online Payment Account. You may have to follow the TPP's procedure to make sure they cancel their service or stop acting on your consent or permission.

2.22 If you send your TPP a cancellation when we are processing an instruction from them or to get access to information about your Online Payment Account, it may be too late for us to cancel the instruction; and, if so, you permit us to obey it.

2.23 If you permit a TPP to access your Online Payment Account and/or to initiate a payment transaction (for example, a payment from your Online Payment Account):

- (a) the TPP will have access to your Online Payment Account(s); and
- (b) we are not responsible for anything the TPP does.

2.24 We may refuse to process an instruction from a TPP where we know, or have reasonable grounds to suspect:

- (a) that you have not authorised a TPP to give the instruction; or
- (b) that the instruction from the TPP may be fraudulent or given by mistake.

If we can identify the TPP, we will contact you as soon as we reasonably can in a way we choose, unless the law prevents us from doing so or we reasonably believe it would compromise our security measures.

- 2.25 We record the instruction you and any TPP give us. If there is a dispute between you and us or you and a TPP concerning any Online Payment Account, we may give our records as evidence in any way that the law allows for.

3.0 Policies

Remember – if you need a conclusive statement, please contact NIAC/BIL.

- 3.1 You can only register a Policy for viewing if the Policy is in your name or you are the sole member of a pension scheme where trustee consent has been provided.
- 3.2 If your Policy is held in the name of two or more persons, any of the Policy holders can use the Services and as a Policy holder you will have access to information on the other Policy holders and lives assured under the Policy.
- 3.3 Subject to 3.4 below, any Policy value or benefits displayed will be the value or benefits at close of business on the Banking Day before the Day of Access.
- 3.4 While we make every reasonable effort to ensure the information we give you about your Policy is accurate and complete, the information is not conclusive evidence of the state of your Policy. If you need a conclusive statement, please contact New Ireland Assurance Company PLC (NIAC)/Bank of Ireland Life (BIL). It is important you understand that any Policy details provided are indicative only, details provided may not include a full list of all benefits available under your Policy where benefits are displayed and the details provided do not confer any rights.
- 3.5 If you rely (or someone else relies) on information regarding your Policy accessed through Digital Banking and you have not asked NIAC/BIL for a conclusive statement, neither we nor NIAC/BIL will compensate you or anyone else for any loss or expense which occurs as a result of any relying on the information displayed through Digital Banking where it is different from what a conclusive statement would show.
- 3.6 You can only view your Policy details and, other than an Instruction to display a Policy, you cannot issue an Instruction to us in connection with your Policy.
- 3.7 If you wish to issue an Instruction, request a change be made, have any queries, wish to make a complaint concerning your Policy or require up to date and detailed information on your Policy, you should contact NIAC/BIL directly and not us.

4.0 SEPA Credit Transfers and SEPA Instant Credit Transfers

We assume any registration or Instruction comes from you where the Services have been accessed using Security Credentials.

- 4.1 A SEPA Credit Transfer is a non-urgent Euro payment made within the SEPA Zone and which is subject to the SEPA Credit Transfer or the SEPA Direct Debit Scheme Rules. It may also be referred to as a **"SEPA Payment"**.
- 4.2 A SEPA Instant Credit Transfer is a Euro payment made within the SEPA Zone which when executed, (and if successful) is credited to the Payee within ten seconds, 24 hours a day and on any calendar day and which is subject to the SEPA Instant Credit Transfer Scheme Rules. It may also be referred to as an **"Instant Payment"**.
- 4.3 SEPA Instant Credit Transfers will be made available on 365 phone, 365 online and the Bank of Ireland App on a phased basis. We will let you know when SEPA Instant Credit Transfers are available to you. The terms and conditions that apply to SEPA Instant Credit Transfers will only apply when the service is available to you.
- 4.4 We keep a record when you register to make SEPA Credit Transfers and SEPA Instant Credit Transfers and when you instruct us about these types of payment. We may give our records as evidence of your registration or Instruction in any way that the law allows for. We can assume any registration or Instruction comes from you where the Services have been accessed using Security Credentials, whether you use them or, someone else uses them where you have allowed them to do that, despite the rules in these terms and conditions which tell you not to share your Security Credentials.
- 4.5 You cannot use the SEPA Credit Transfer service or SEPA Instant Credit Transfer service to transfer money from any loan or credit card account you have with us or one of our subsidiaries.
- 4.6 If you use the SEPA Credit Transfer service to pay money into a loan account or a credit card account you have with us, you agree that you must contact us to establish the correct balance on that Account. You cannot rely on your own calculations.
- 4.7 You cannot use the SEPA Instant Credit Transfer service to pay money to certain deposit accounts, loan accounts, global markets accounts or credit card accounts you have with us or one of our subsidiaries.
- 4.8 If you use the SEPA Instant Credit Transfer service to pay money to another account in the SEPA Zone, we will let you know within 10 seconds of receiving your instruction if the payment has or has not been made, and if it has not been made, the reason why.
- 4.9 Maximum transaction and daily limits apply to the amount you can pay from your Account. We can change these limits

- at any time. Details of the current limits are available when you use the relevant service. We may allow you to set a lower limit than the maximum limit from time to time by following the procedure we specify. You will be given the option to set a specific limit for SEPA Instant Credit Transfers, if you want to set a limit. The limit can be on a daily or transactional basis.
- 4.10 If you instruct us to carry out a SEPA Credit Transfer on a future date, it is a "Future Dated Payment". We will process any Future Dated Payments on the date you give us. If it is not a Banking Day, we will process it on the next Banking Day. If you instruct us to make two or more Future Dated Payments for the same future date, we will process them in the same order in which you gave us the payment instructions. If, for any reason, we are unable to process a Future Dated Payment, we will notify you within the Payments Pending section.
- 4.11 We accept payment instructions for SEPA Credit Transfers at any time on 365 online and on the Bank of Ireland App. If you give us a payment instruction to pay money from your Account, we treat the Instruction as given on the Banking Day ("D") on which we actually get it, so long as it is received by us before the Cut-Off Time for SEPA Credit transfers. Details of the relevant Cut-Off Time are available on [bankofireland.com](https://www.bankofireland.com) and on 365 online. If we receive it after this Cut-Off Time it will be treated as received by us on the next Banking Day. We will ensure the payee's bank is paid within one Banking Day of D.
- 4.12 We accept payment instructions for SEPA Instant Credit Transfer at any time on 365 online and on the Bank of Ireland App. Cut-Off Times do not apply to SEPA Instant Credit Transfers on 365 online and on the Bank of Ireland App.
- 4.13 We will let you know within 10 seconds of receiving a payment instruction for a valid SEPA Instant Credit Transfer if the credit transfer has been successful or not.
- 4.14 There may be planned maintenance windows (which we will advise you of in advance) when the SEPA Instant Credit Transfer Service may be temporarily unavailable.
- 4.15 The financial institution where the Designated Account is held controls payment into that account. We are not responsible for that.
- 4.16 If you give us a payment instruction to pay money to a Designated Account held by us, we pay it on the Banking Day we get your payment instruction.

Verification of Payee

- 4.17 The Verification of Payee service is a way of helping you make sure that you send money to the right account when you make a SEPA Credit Transfer or a SEPA Instant Credit Transfer. The Verification of Payee service does this by checking the Name of the Payee against the IBAN you submit to us in your instruction before you send it. This helps you to avoid paying the wrong person or business.

- 4.18 The Verification of Payee service will be made available on 365 phone, 365 online and the Bank of Ireland App on a phased basis. We will let you know when the Verification of Payee service is available to you. The terms and conditions dealing with Verification of Payee will only apply when that service is available to you.
- 4.19 When you give us an Instruction to make a SEPA Credit Transfer, or a SEPA Instant Credit Transfer we may ask you to include the Name of the Payee you are transferring money to, in addition to their IBAN.
- 4.20 If your Payee is a natural person, you should include their full name (i.e., not a nickname).
- 4.21 If your Payee is a legal person (for example a company) you should include its legal or trading name.
- 4.22 When you set up a new Payee or Standing Order, you must ensure that you have the correct account details. You should have the right IBAN, and the Name of the person or business you are trying to pay.
- 4.23 When you give us an Instruction to make a SEPA Credit Transfer, or a SEPA Instant Credit Transfer, or the first time you set up a Standing Order, and you include the Name of the Payee, we will let you know if the Name of the Payee you gave us (a) matches the Name on the account that you want to transfer to; (b) does not match the Name on the account that you want to transfer to; (c) nearly matches the Name on the account you want to transfer to; or (d) or that your Payee's financial institution has not given us a response.
- 4.24 When you give us an Instruction to make a SEPA Credit Transfer or a SEPA Instant Credit Transfer, or set up a Standing Order to a Payee holding a joint account with other accountholders, we will let you know if the Name of the Payee you submit (a) matches the Name of at least one of the accountholders; (b) does not match the Names of any of the accountholders; (c) nearly matches the Name of at least one of the accountholders; or (d) that your Payee's financial institution has not given us a response.
- 4.25 When someone wants to pay you by making a SEPA Credit transfer, or a SEPA Instant Credit Transfer, and when they include your Name, we will tell their financial institution if it matches, does not match or nearly matches the Name provided to us.
- 4.26 If we tell you that the Name does not match, does not fully match, or that your Payee's financial institution has not given us a response. you should not make the SEPA Credit Transfer or SEPA Instant Credit Transfer, as the Payee may be incorrect.
- 4.27 If you choose to authorise a SEPA Credit Transfer or a SEPA Instant Credit Transfer where the Name does not match your intended Payee, we may not be able to recover any transferred funds. We shall not be held liable for the execution of a SEPA Credit Transfer or a SEPA Instant Credit Transfer to an unintended Payee on the basis of an incorrect

- IBAN (or other unique identifier), provided that we have carried out the Verification of Payee service.
- 4.28 If you instruct us to make a payment to a Payee who we suspect to be acting illegally or fraudulently:
- ▶ we may delay the payment;
 - ▶ we may contact you (for example by SMS, email, phone, or push notification,) and ask you to carry out checks to make sure the Payee is genuine; or
 - ▶ we may block the payment, even after you have made your own checks, if we continue to have reason to believe the Payee is not genuine and/or who we suspect may be acting illegally or fraudulently.

5.0 Security and Authentication

Remember to keep your Security Credentials safe and if you think they are lost or stolen tell us straight away.

- 5.1 We will instruct you on how to set up your own unique PIN (the "365 PIN"). You may need to use it when you use a Service. We may also ask you to set a Passcode on your Registered Device (your "Passcode") which you may need to use when you use a Service.
- 5.2 We may also give you a unique 365 online user identification code ("User ID"). If we ask you for this code, you must give it to us.
- 5.3 As part of Digital Banking in addition to the items in 5.1. and 5.2 we provide you with Security Credentials which you can use to access your Accounts and Services and to make payments through Digital Banking.
- 5.4 Digital Security Key
- If you use the Digital Security Key the following terms apply:
- (a) When you install the Bank of Ireland App you will be required to register your Mobile Device with us. We will then ask you to follow instructions (which may include entering an Activation Code we will send you, and setting a Passcode) to pair your Mobile Device with your Digital Banking profile. Your Mobile Device will then be a Registered Device and will become your Digital Security Key.
 - (b) You can have more than one Registered Device on your Digital Banking profile.
 - (c) You can register the same Registered Device with multiple Digital Banking profiles.
 - (d) Your Registered Device is a Security Credential once you have paired it with your Digital Banking profile by following the instructions we give you.
 - (e) To use the Bank of Ireland App and 365 online you must have Push Notifications enabled on your Registered Device. We may send you a Push Notification to consent to certain Services or Instructions or access Digital Banking.

- (f) If you receive a Push Notification asking you to confirm a transaction that you have not initiated, you must tell us straight away. Phone us at 0818 365 365/+353 1 404 4000. You may also contact us free of charge on the Freephone number listed on our website bankofireland.com.
- 5.5 Physical Security Key
If you use a Physical Security Key the following terms apply:
 - (a) If you do not have a Registered Device, you may need a Physical Security Key to access Digital Banking and to avail of Services.
 - (b) When you get your Physical Security Key you will need to activate it and create a PIN which you will need every time you use the Physical Security Key. You can generate security codes for use in Digital Banking using your Physical Security Key.
 - (c) Once activated, your Physical Security Key is a Security Credential.
- 5.6 You must keep your Physical Security Key safe and if you think or know that it is lost or stolen you must tell us straight away. Phone us at 0818 365 365/+353 1 404 4000. You may also contact us free of charge on the Freephone number listed on our website bankofireland.com.
- 5.7 We may ask you to answer security questions, or to use another Security Credential or a combination of Security Credentials (for example your passcode), before allowing you use a Service.
- 5.8 You must keep your Security Credentials secret and safe and must never share them with anyone. You must not write down or record any of them in a way that would let someone else use any of them against your will.
- 5.9 If you know or suspect your Security Credentials are known by someone who should not know them or your Registered Device or Physical Security Key is lost or stolen, you must tell us straight away. Phone us at 0818 365 365/+353 1 404 4000. You may also contact us free of charge on the Freephone number listed on our website bankofireland.com.
- 5.10 After your initial registration we will never contact you to request all your Security Credentials and we will not ask anyone else to do so on our behalf. If you receive such a request you must not supply your Security Credentials in any circumstances, and should report such activity to us immediately.
- 5.11 We may use software, cookies and other technologies to help us identify you to help us detect fraudulent behaviour and patterns. We may also use those technologies to check for viruses or other harmful programmes (such as malware) on the computer or Mobile Device you use to access Digital Banking. In the event we suspect or detect any fraud or unauthorised activity on your Account, we will advise you via phone call, SMS message or email as appropriate. If we deem

it necessary we may block your Account and will advise you of the block and how it may be removed.

- 5.12 You must maintain suitable equipment to enable you use Digital Banking services, for example, a computer with a suitable browser and up-to-date security software. Further details are available under accessibility section of bankofireland.com.
- 5.13 We put reasonable IT security measures in place. We cannot, however, guarantee the privacy or security of any information that concerns you and passes over the internet. This is because of the nature of the internet. If you use Digital Banking, you acknowledge and accept these risks. For example, you acknowledge it is possible for a person to intercept or interfere with e-mails.
- 5.14 You use our Digital Banking channels at your own risk. Our website gives you information and nothing in it is:
- (a) an offer as understood in contract law;
 - (b) an invitation to invest;
 - (c) an invitation to take investment, financial or banking services from us.
- 5.15 We claim copyright in the contents of our website. You cannot copy or use any of this content by any means unless we agree in writing beforehand.

6.0 When we Act on your Instructions

- 6.1 You permit us to act on any Instruction you give us, or which appears to have been given by you (including through a third party for example a TPP), whether submitted via 365 Phone or Digital Banking. Other than provided at clause 6.4, you cannot withdraw this permission.
- 6.2 Once an Instruction is received with the correct Security Credentials, you agree that we can act on it. You understand we do not make any more security checks. Where an Instruction relates to a payment, you give your consent to the payment by providing us with the correct Security Credentials and you agree that we can process (use) your personal data to obey your Instruction and to give you the service.
- 6.3 We can only act on your Instructions when we get them. You acknowledge and agree there may be a time lag between the time you or a third party (such as a TPP) instructs us online and when we get that Instruction, and we can take no responsibility where the delay is beyond our reasonable control.
- 6.4 You agree that all Instructions, other than Instructions for Future Dated Payments, are, subject to relevant Cut-Off Times, considered to be Instructions for immediate processing, and are considered irrevocable. Instructions for Future Dated Payments are deemed irrevocable at midnight on the Banking Day prior to the Banking Day upon which the Future Dated Payment is scheduled to be processed. You can ask us to cancel or amend any Instruction, but we may not be able to do so. We will have no liability to you in respect of any such

request to cancel or amend a previously issued Instruction where we are unable to do so.

Remember to check Cut-Off times for Instructions.

- 6.5 If we receive an Instruction that does not have the information that we need to identify the Designated Account, for example IBAN and BIC, Account Number and Sort Code, we may refuse to process it. We will tell you if we refuse to process an Instruction for this reason. We will not be liable to you or anyone else if that results in any loss or expense.
- 6.6 We can refuse to process an Instruction if you do not have enough money in your Account (or enough unused agreed overdraft limit on your Account) to make the payment. We will not be liable to you or anyone else for any loss or expense this causes.
- 6.7 Sometimes we need to use the Society for Worldwide Interbank Financial Telecommunications (SWIFT) to carry out an instruction from you to make a payment. SWIFT is based in Belgium and has centres in Europe and the United States of America. Your transaction data can be stored for a time in these centres.

7.0 Joint and Several Liability

If you have a joint account you are both (or all) equally liable to us for anything that we are owed on the Account. One of you will be able to give us an Instruction on the Account without getting permission from the other person (or other people). We can send notices and letters to just one of you and the terms and conditions say that's enough to notify both (or all) of you.

- 7.1 If your Account is held in the name of two or more persons at any time, any one of you may, acting alone be able to use the Services. Each of you who want to use the Services must register and apply for your own separate 365 PIN, User ID and any other Security Credentials required.
- 7.2 If your Account is held jointly in the name of two or more persons at any time, each of you is jointly and severally liable under these terms and conditions and for any Instruction we get from any of you. This means we can ask all or any one of you alone to pay us any money owing to us and meet any obligation arising from these terms and conditions or any Instruction any of you give us.
- 7.3 Unless we have agreed that we need the consent of each joint account holder or have a legal obligation to get this consent, we can act on the Instructions of only one of you. This means any one of you can ask us to do certain things with the Account without the other account holders knowing, including closing the Account, taking all or any money out of the Account, asking for communications (including statements) to

be provided electronically or on paper, applying for credit or ending services.

7.4 When we send any notice to any one of you (including any eStatement or statement or document in paper form) this will be deemed to be notice to all of you.

7.5 Unless we have a legal obligation to do so we won't ordinarily ask or enquire about the reasons for any instructions or reconfirm these instructions with any other Joint Account Holder even when there is a dispute among the Joint Account Holders.

8.0 Recording

8.1 We record the Instructions you give us. If there is a dispute between you and us concerning the services, we may give our records as evidence in any way that the law allows for.

9.0 Account Balances

If you need a conclusive balance of your Account please contact us.

9.1 We will include the following things in the Account balance that we provide on that Day of Access:

9.1.1 The amount in the Account at close of business on the Banking Day before the Day of Access; and

9.1.2 (for information only) the value of all payments in or out of your Account which are made (or where value is due to be paid) on the Day of Access.

9.2 If you are checking the balance on your business credit card Accounts, we will tell you the balance on the Account at close of business one Banking Day before the Day of Access. We may not include the things mentioned in Clause 9.1.2. This Clause 9.2 is an exception to Clause 9.1.

9.3 We make every reasonable effort to ensure the information we give you and any third party (for example a TPP) about balances is accurate, complete and up to date. However:

9.3.1 This is not always possible because for example your account balance may not reflect any debit or credit transfers made since the previous Business Day;

9.3.2 This means the information we give you is not conclusive evidence of the state of your Account (if you need a conclusive statement, please contact your branch);

9.3.3 If you rely (or someone else relies) on information on your Account accessed through Digital Banking and you have not asked your branch for a conclusive statement we will not compensate you or anyone else for any loss or expense which occurs as a result of relying on information on Digital Banking where it is different from what a conclusive statement would show.

10.0 Managing Direct Debits

- 10.1 Direct debit payments are made under the SEPA Direct Debit Scheme and all direct debit payments are processed in accordance with the relevant SEPA Direct Debit Scheme Rules.
- 10.2 You can manage your SEPA direct debits using the Direct Debit Services. If you wish to avail of any of the available direct debit services, you must complete and submit the relevant direct debit service application form. In order to ensure that your instructions can be processed as required, you must submit any such instruction by close of business on the Banking Day before you wish the instruction to be effective.

11.0 Charges

- 11.1 We can introduce charges for the Services but, if we do, we will tell you before we introduce them. The amount of notice that we will give you will follow the laws and regulations that apply at that time.
- 11.2 There may be fees and charges which apply under the terms and conditions of your Account. You can find details of the relevant fees or charges in the relevant Schedule of Fees and Charges which are available from your branch or online at bankofireland.com.
- 11.3 Our Schedule of International Transaction Charges shows our charges for international payments, travel money and other services. It is available from your branch, or online at bankofireland.com.
- 11.4 We do not levy any additional charges for Bank of Ireland Mobile Banking, however your mobile network operator may charge you for using or accessing the mobile network service. Any charges applied by your mobile network operator are beyond our control and you should refer to your mobile network operator for details of such charges.
- 11.5 We can change our fees or charges at any time for valid reasons (as set out in Clause 12.2), but will tell you before we do and the amount of notice that we will give you will follow the laws and regulations that apply at that time.
- 11.6 If you use a TPP for services that concern your Account, the TPP will charge their own fees and charges for them. Anything you owe a TPP is in addition to any fees or charges you owe us on your Account(s) or for using Digital Banking.

12.0 Changes to these Terms and Conditions, and to the Services

- 12.1 We may for a valid reason:
- (a) add to or change these terms and conditions at any time, for example, to meet new regulatory requirements or to enhance security.
 - (b) remove or change a service or add a new one at any time.
 - (c) introduce fees or change the fees and charges we apply.

- 12.2 Here are examples of valid reasons for us to make any such change:
- (a) to better comply with a law, regulation or other legal duty;
 - (b) to reflect a change in the law, code of practice, or a decision, recommendation by a court, ombudsman or regulator;
 - (c) to improve the services we provide customers;
 - (d) to remove (or change) a service if continuing it (or not changing it) is not cost effective or sustainable or does not make a reasonable profit or provide a reasonable return on investment or equity;
 - (e) to reflect changes in our business model, or the way we do business;
 - (f) to reflect changes in technology or in our systems or to maintain our systems;
 - (g) to deal with threats to the integrity of our systems;
 - (h) for a reason that is related to any of the previous ones.
- 12.3 We will tell you in advance if we make any of these changes and we will give you a valid reason for any such change.
- 12.4 The type and amount of notice of change that we will give you will follow the laws and regulations that apply at that time, and may be in writing, by letter, electronic mail, telephone (including recorded message) or other means of communication we deem appropriate.
- 12.5 If we change or add to these terms and conditions, and you do not wish to accept the change, you may end this contract (there will be no charge for doing this), but first you must pay us any charges that you already owe relating to the services or these terms and conditions.
- 12.6 If you do not ask us to end this contract under Clause 12.5, you are deemed to accept the changes which we tell you about under Clause 12.3 on their effective date. We may change our rules concerning the Services (for example transaction limits or daily limits) at any time and without telling you in advance. We will, however, provide notice about these changes, in accordance with any applicable laws.

13.0 Our Responsibilities

- 13.1 If we make a mistake when we carry out an Instruction, we will correct that mistake. If necessary, we will pay money into your Account and correct our records of your Account. The amount we pay will ensure that your Account is restored to the way it would have been if the Instruction had not been carried out.
- 13.2 Sometimes, we may not be able to provide you or third party (such as a TPP) with a Service because of circumstances beyond our reasonable control, for example:
- (a) a natural event such as adverse weather, an earthquake, a solar storm, flooding;
 - (b) war or civil disturbance;
 - (c) a health event including a pandemic;
 - (d) strikes and industrial action;
 - (e) electricity failure, surges or fluctuation;

- (f) failure of telephones, telephone systems, email, the internet, or of other electronic equipment (including software and networks).
- 13.3 Sometimes, the Services may not be available or may not work properly despite our reasonable efforts to maintain them. This may be due to a fault or malfunction of a system used to deliver the Services or due to general maintenance requirements.
- 13.4 We are not liable to you or anyone else for any loss or expense caused if the Services are not available or are not working properly for any of the reasons outlined in Clause 13.2. We are not liable to you or anyone else for any loss or expense caused if we need to suspend the Services for a temporary and reasonable period to rectify any of the issues outlined in Clause 13.3.
- 13.5 We will not be responsible for any losses caused if:
 - (a) we make a payment in accordance with an Instruction and that Instruction contains information which is incorrect such as an incorrect IBAN or BIC, or account number or sort code, or equivalent account details such as a mobile phone number (in the case of Zippay) supplied by you or a third party (such as a TPP), (and where we have carried out Verification of Payee as required if your payment was a SEPA Credit Transfer or a SEPA Instant Credit Transfer);
 - (b) if we can show that a payment was made by us and received by the payee's bank within the time set out in these terms and conditions; or
 - (c) the payment is not possible due to a regulatory or other legal reason.

You may need to use a BIC and IBAN and Name to give us Instructions. You need to make sure these are sent to us correctly because you might lose money if not.

- 13.6 We will make every reasonable effort to get back any money involved in the transaction, but we may charge you for any reasonable costs that we have to pay.
- 13.7 We may provide you with alert services. If we do, the details provided to you may change before and after you receive them. We're not responsible for any loss, cost or charge you incur if alert services are unavailable for any reason.

14.0 Your Responsibilities

You must tell us as soon as possible about an unauthorised transaction or loss or misuse of a Security Credential to help limit any loss to you.

- 14.1 If an unauthorised transaction occurs on your Account, you must tell us as soon as possible, but no later than 13 months after the date of the transaction. To report an unauthorised

- transaction, you may contact us free of charge via the Freephone number listed on our website [bankofireland.com](https://www.bankofireland.com).
- 14.2 If an unauthorised transaction is made from your Account, we will refund your Account and (if necessary) will correct our records of your Account. It shall be the responsibility of Customers who are not Consumers or Microenterprises to demonstrate to the satisfaction of the Bank that any such transaction was actually unauthorised or incorrectly executed. The amount we pay will ensure that your Account is restored to the way it would have been if the unauthorised transaction had not happened.
- 14.3 Despite Clause 14.2:
- (a) You will be liable for the full amount of the unauthorised transaction if it was made because you have acted fraudulently or because you intentionally or with gross negligence breach these terms and conditions.
 - (b) If any unauthorised payments came about because a Security Credential (for example a 365 PIN, Physical Security Key or a Registered Device) was lost, stolen or misused, the maximum you will have to pay if you are not a Consumer or Microenterprise is €50, once you had reported the loss, theft or misuse to us without undue delay. You must take all reasonable steps to prevent loss, theft or fraudulent misuse of your Security Credentials. If you are a Consumer or Microenterprise and the loss, theft or misuse of any security credential was not detectable to you then you will have no liability. If you are not a Consumer or Microenterprise your liability is unlimited.
- 14.4 You agree to cooperate with us and give us information we ask for if you have a complaint about your Account and we suspect that a TPP may be responsible for it, for example, because we suspect it is the TPP's fault that an instruction was not carried out or was carried out wrongly or too late.

15.0 Reading this Document

- 15.1 Each of these terms and conditions is separate from the others. If any of them is illegal or cannot be enforced, the rest will remain in full force and effect.
- 15.2 If we do not enforce the rights we have under these terms and conditions or we delay enforcing them, we may still enforce those rights in the future. This applies even if we did not enforce or delayed enforcing those rights on many occasions.
- 15.3 In these terms and conditions we sometimes give an example of something covered by a clause or definition. We do this to assist you. The scope of these terms and conditions is not limited to these examples.
- 15.4 Headings and summaries in boxes used in these terms and conditions are there to assist you and do not form part of the legal agreement between you and us so they do not affect or

- limit the meaning of any of these terms and conditions.
- 15.5 A reference to the singular includes a reference to the plural and vice versa, where this makes sense. A reference to any gender includes all genders.
- 15.6 Any reference to law in these terms and conditions should be read to reflect later changes in the law.
- 15.7 Any reference to “write”, “writing”, “written”, any other form of the verb to write (or to something that can be read) includes the following: (a) an electronic or digital instruction, signature or receipt from you where we offer you the service to make those things available electronically or digitally; and (b) any email, SMS (text message to a mobile phone), pop up on the Bank of Ireland app, by facsimile or other electronic communication where you have given us contact details for any such means of communication.
- 15.8 This clause only applies to these terms and conditions if you entered them on or after 29 November 2022 and where you are a consumer under the Consumer Rights Act 2022. Nothing in these terms and conditions (a) takes away from any statutory liability (legal duty) we have to you under Part 4 of the Consumer Rights Act 2022 (our “Part 4 Liabilities”) or (b) excludes or restricts any of our Part 4 Liabilities. Nothing in these terms and conditions is to be interpreted to exclude or restrict any of our Part 4 Liabilities. Here are examples of our Part 4 Liabilities: our duty to supply a service in conformity with a contract under which we supply a service to you which includes meeting the tests for subjective and objective conformity set out in Part 4 of the Act; our duty to you under any implied term that Part 4 makes part of our contract with you to supply a service; our duty to charge a reasonable price for a service where a contract between you and us does not set one out.
- 15.9 Any reference in these terms and conditions to us being liable to you or anyone else includes any liability for loss, expense or damage to property or reputation.

16.0 Making a Complaint

- 16.1 We’re committed to providing you with excellent service at all times and hope we do not give you grounds to complain. However, if you wish to make a complaint you may do so in a number of ways. You can call or write to us, avail of our online complaints form, and advise our branch teams (bankofireland.com/help-centre/customer-complaints-process provides further details about these channels and our complaints process).
- 16.2 If we cannot resolve your complaint within five working days, we will respond to your complaint in writing or if we hold an email address or mobile contact details for you, you agree we may respond by email or another durable medium.
- 16.3 If you are not satisfied with our response you can refer the matter to the Financial Services and Pensions Ombudsman by writing to them at:

The Financial Services and Pensions Ombudsman, Lincoln House, Lincoln Place, Dublin 2, D02 VH29. You can find more information on how to access their resolution process by visiting their website at (fspo.ie).

17.0 Ending this Agreement

- 17.1 You may ask us in writing to end this agreement at any time. If you do, these terms and conditions will come to an end once you have paid everything you owe us in relation to the Services, and these terms and conditions.
- 17.2 We may end this agreement and stop a Service or Services by giving you two months' notice.
- 17.3 We may end this agreement immediately, stop the Services or block any payments if:
- (a) you die;
 - (b) you are declared bankrupt or insolvent in the Republic of Ireland or anywhere else;
 - (c) you have failed security checks;
 - (d) we have reason to suspect there is unauthorised or fraudulent activity on your Account, even where we think you are innocent;
 - (e) we are required to do so by law, regulation or direction from an authority we have a duty to obey;
 - (f) you have breached these terms and conditions in such a way that we know or reasonably believe it is appropriate (in your interest or ours) to close or block your account immediately;
 - (g) you have breached the terms and conditions of any of your Bank of Ireland accounts in such a way that we know or reasonably believe it is appropriate (in your interest or ours) to close or block your account immediately.
- 17.4 We do not have to notify you beforehand if we stop, restrict or block the Services for any reason listed above. We are not liable to you or anyone else if we stop or block the Services for any reason listed above. We will tell you how the stop or block on the Services can be removed (if it can be).
- 17.5 If you close your account(s), you may no longer be able to use the Services. If you have any queries, please contact 365 on 0818 365 365/+353 1 404 4000.

18.0 Law and Language

- 18.1 These terms and conditions and any matter arising from the services are governed by the laws of the Republic of Ireland. This will be so even if a court or tribunal outside the Republic of Ireland deals with them. The courts of the Republic of Ireland will have jurisdiction in connection with any dispute about or relating to these terms and conditions and the services. That jurisdiction is exclusive except where you entered these terms and conditions on or after 29 November 2022, you are a consumer under the Consumer Rights Act

2022 and you are not ordinarily resident in the Republic of Ireland.

- 18.2 The English language is and will be used for the purpose of interpreting these Terms and Conditions and for all communication in connection with the Account and/or the Services.
- 18.3 Any references to law or taxation in these terms and conditions are accurate on the print date, and should be read to reflect later changes in the law or taxation.

19.0 International (Non SEPA) Credit Transfers

- 19.1 An international (non SEPA) credit transfer is a non-euro payment by you from your Account to a Designated Account outside the Republic of Ireland or a euro payment to a Designated Account outside the SEPA zone. We will advise you how to register for the international (non SEPA) credit transfer service. We can change the way you register for these services at any time. We will decide if a proposed Designated Account may be registered to receive international (non SEPA) transfers from you.
- 19.2 If we do agree to do this, you must give us the other person's IBAN and BIC (or equivalent account details), and any other information we need to register that person's account as a Designated Account.
- 19.3 We keep a record when you register for our international (non SEPA) credit transfer services and give us instructions relating to them. We may give our records as evidence of your registration or instruction in any way that the law allows for. You agree we can assume any registration or instruction comes from you where the Services have been accessed using Security Credentials, whether you use them or, someone else uses them where you have allowed them to do that, despite the rules in these terms and conditions which tell you not to share your Security Credentials.
- 19.4 Before you can make your first international (non SEPA) credit transfer to a Designated Account, we will require you to authenticate that Designated Account using your Security Credentials (or a combination of them).
- 19.5 You cannot use the international (non SEPA) credit transfer service to transfer money from any loan account or credit card account you have with us or one of our subsidiaries.
- 19.6 Maximum transaction and daily limits apply to the amount you can pay from your Account in any Banking Day using our international (non SEPA) payment service. We can change these limits at any time. Details of the current limits are available when you use the service.
- 19.7 We accept international (non SEPA) credit transfer instructions at any time on 365 online and on the Bank of Ireland App. If you give us an international (non SEPA) credit transfer instruction to pay money from your Account, we treat the international (non SEPA) credit transfer instruction as given on the Banking Day ("D") on which we actually get it, so long as it

is received by us before the Cut-Off Time for that international (non SEPA) payment. If we receive it after the Cut-Off Time it will be treated as received by us on the next Banking Day. If it is a payment in Sterling or another EEA currency (non-euro) and the payees bank is in the EEA we will ensure the payee's bank is paid within three Banking Days of D.

- 19.8 Other payments may take longer to process.
- 19.9 The financial institution where the Designated Account is held controls payment into that account. We are not responsible for that.
- 19.10 If we need to convert one currency to another to carry out your instruction, we will use our foreign exchange rates. We will tell you what they are when you give us your instruction.

20.0 Standing Orders

Setting up and cancelling standing orders are subject to Cut-Off times.

- 20.1 You can set up standing orders on your Current Account. We require you to register this with us first and to verify your registration using Security Credentials (or any combination of them).
- 20.2 We keep a record when you register for a standing order and give us instructions about it. We may give our records as evidence of any such registration or instruction in any way the law allows for. You also agree we can assume any registration or instruction comes from you where the Services have been accessed using Security Credentials, whether you use them or, someone else uses them where you have allowed them to do that, despite the rules in these terms and conditions which tell you not to share your Security Credentials.
- 20.3 If you wish to cancel a standing order or standing order payment, you must instruct us by close of business one Banking Day before the payment is due. If your instruction arrives later than that we won't have time to obey it before the (next) standing order is due. If that happens, we are not at fault and we will not be liable for any loss or expense caused to you or anyone else. You can find out about our up-to-date Cut-Off times on [bankofireland.com](https://www.bankofireland.com).

21.0 eStatements

If your Account is registered on 365 online you will get e-statements.

- 21.1 Once an eligible Account is registered on 365 online, you will have access to eStatements for your Account and you will not receive paper versions of some or all documents or statements for your Account. If you request a paper copy of an eStatement we will treat this as a request for a duplicate

statement and it will be managed in line with our duplicate statement process (which may include a fee). You agree that any obligation to provide you with documents or statements in these terms and conditions or any other terms and conditions agreed between you and us, are satisfied when we provide you with the relevant document or eStatement or make it available to you. Any reference to documents or statements in these terms and conditions or any other terms and conditions agreed between us, shall include a reference to documents in electronic form and eStatements as the reference so requires.

- 21.2 eStatements can be viewed, saved or printed in PDF format. When accessed the PDF will open in a separate window and will not time out. It is your responsibility to view the eStatement in a safe and private place and to close the window when you finish viewing the eStatement.
- 21.3 eStatements will be stored by us and accessible by you for a period of seven (7) years from the date they become available. You can at any time during this period download, or print and retain, a copy of the eStatement. If, however, you close an Account with us, or terminate this Agreement, the relevant eStatements will no longer be available, and you should download or print any eStatements required prior to closing any Account or terminating this Agreement.
- 21.4 We will send a notification by email, SMS, or other channel using the details you have provided through 365 online when a new eStatement or document is available. It is your responsibility to update your contact details if they change. You can do this through 365 online. You may be able to opt out of receiving some notifications by editing your preferences through 365 online. You will be deemed to have received an eStatement once that eStatement is available through 365 online.
- 21.5 The provisions of Section 9 of these terms and conditions DO NOT apply to any account balance, or transaction details, provided via this eStatement service, and any account details provided via eStatement may be considered as conclusive evidence of the state of your Account.

22.0 Bank of Ireland Mobile Banking

The provisions of this clause 22 relate to the use of Bank of Ireland Mobile Banking and supplements the General Terms which apply to 365 online. Bank of Ireland Mobile Banking is a form of online banking, and all Services provided, and instructions processed, via Bank of Ireland Mobile Banking are provided and processed in accordance with the relevant provisions of the General Terms. If you do not use Bank of Ireland Mobile Banking, this clause does not apply to you.

- 22.1 In order to use Bank of Ireland Mobile Banking you must be a registered 365 online user, and must have downloaded the Bank of Ireland App from the relevant app store. You will then be able to access Bank of Ireland Mobile Banking, and the

- available Services, using your Security Credentials.
- 22.2 Because Bank of Ireland Mobile Banking gives you access to your Accounts and/or Policies, you must keep your Registered Device secure and close the Bank of Ireland App if you are not using it. The conditions relating to Security set out in your General Terms equally apply in relation to use of the Bank of Ireland App.
- 22.3 If you suspect that someone else knows your User ID, PIN, 365 PIN, Passcode, or other Security Credentials or your Registered Device or Physical Security Key is lost or stolen you must tell us straight away. Phone us on 0818 365 365/+353 1 404 4000. You may also phone us free of charge on the Freephone number listed on our website bankofireland.com. If you fail to do so, you may be liable for any unauthorised transactions on your Account which are as a result of your Security Credentials becoming known to someone else or your Registered Device or Physical Security Key is lost or stolen. If the loss, theft or misuse of any Security Credential was not detectable to you then you will have no liability.
- 22.4 We will not be liable to you for any losses you suffer or costs you incur because of circumstances beyond our reasonable control. For example:
- (a) you are unable to access or use Bank of Ireland Mobile Banking for any reason;
 - (b) any device, hardware or software you use in connection with the Bank of Ireland App is damaged or corrupted or fails to work;
 - (c) you did not receive any SMS notifications or Push Notifications in a timely manner for reasons beyond our control; or
 - (d) there is a temporary reduced level or failure to provide any Service caused by any third party service providers including software providers and mobile operators.
- 22.5 You must keep all software (including antivirus software) on your Mobile Device up to date. From time to time updates to the Bank of Ireland App may be issued and depending on the update, you may not be able to use Bank of Ireland Mobile Banking until you have downloaded the latest version of the app and accepted any new terms.
- 22.6 Your Registered Device is your responsibility. Do not leave it unattended or accessible to unauthorised persons.
- 22.7 When you enable biometric data on your Registered Device (for example Face ID and Touch ID on Apple devices, and facial recognition and fingerprint on Android), it is important that you only register your own biometric data, because this is what may be used as your Security Credentials when you access your 365 online profile and Accounts.
- 22.8 Do not allow anyone else to use their biometric data on your Registered Device, because this may give them access to your Accounts. They may then be able to give us Instructions and/or make payments (this includes payments through your Digital Card or Bank of Ireland Mobile Banking). If someone

else's biometric data is used in this way, we will consider it to be authorised by you, and you will be responsible for it.

Do not allow anyone else to use their biometric data on your Registered Device because they may be able to access your Accounts and give us Instructions.

- 22.9 You must delete the Bank of Ireland App from a Registered Device before you discard it.
- 22.10 You must let us know as soon as you change your mobile phone number. Your Registered Mobile Phone Number is used to receive Zippay payments and if you don't let us know when this changes, you may not receive money you expect to receive.
- 22.11 Bank of Ireland Mobile Banking uses cookies and similar technologies ('cookies') when you register, to authenticate you when you use the Service, to help us detect fraudulent behaviour and patterns and to generally improve your experience on Bank of Ireland Mobile Banking. You can find more information on how we use cookies in our Cookie Policy available on our website or on Bank of Ireland Mobile Banking. Certain Services, such as the ATM/branch Locator, also make use of location data sent from your Mobile Device. You will be asked to provide your consent to our processing and use of your location data if you wish to use any location-based products and services we make available. You may withdraw this consent at any time by turning off the location services settings on your Mobile Device or on the Bank of Ireland app.
- 22.12 We provide the Bank of Ireland App "as is" and it may not be compatible with out of date hardware and software. We grant you a non-exclusive licence to use the Bank of Ireland App solely for the purposes of using the mobile banking services. You agree that all intellectual property rights in and to the Bank of Ireland App are and remain the property of Bank of Ireland and you agree that you shall not copy, modify or adapt the Bank of Ireland App in any way. The licence granted above will expire upon termination of this Agreement by either of us. You are deemed to have accepted this licence and the terms of the licence by downloading the Bank of Ireland App to your Mobile Device.
- 22.13 Whilst we put reasonable IT security measures in place, we cannot guarantee the privacy or security of any information that concerns you, and passes over the internet, or via mobile networks. If you use Bank of Ireland Mobile Banking, you acknowledge and accept these risks.
- 22.14 We may send you information in a number of ways (as allowed by law), including by digital messages or Push Notifications through the Bank of Ireland App.

The following sections of Clause 22 only apply to Pay to Mobile. These clauses only apply as long as Pay to Mobile is available to you:

- 22.15 Pay to Mobile allows you to make payments to or receive payments from our other customers within the Republic of Ireland only. All payment instructions received by us via Pay to Mobile are processed in accordance with the relevant provisions of the General Terms.
- 22.16 To send and receive Pay to Mobile payments, you must have completed the following:
- (a) registration for 365 online services;
 - (b) registration of your mobile phone number using your Security Credentials;
 - (c) download of the Bank of Ireland Mobile Banking App;
 - (d) registration of your mobile phone number and the Account you would like to receive Pay to Mobile payments into on Digital Banking using your Security Credentials. We can change the way you register for these services at any time.
- 22.17 To receive Pay to Mobile payments only, you must have completed the following:
- (a) registration for 365 online services;
 - (b) registration of your mobile phone number using your Security Credentials;
 - (c) registration of your mobile phone number and the Account you would like to receive Pay to Mobile payments into on Digital Banking using your Security Credentials. We can change the way you register for these services at any time.
- 22.18 Once you are registered to send Pay to Mobile payments you can make payments via the Bank of Ireland App by inputting the payee's mobile phone number and providing Security Credentials. By selecting a contact when using Pay to Mobile to make an instruction, you consent to the Bank of Ireland App accessing data in your address book. Before doing this, you must ensure that (i) the payee is registered to receive Pay to Mobile payments and (ii) the payee's mobile phone number you use is correct as we will not be responsible if you send money to the wrong payee. We will make every reasonable effort to get back any money involved in the transaction, but we may charge you for any reasonable costs that we have to pay. Should the payee not be registered for Pay to Mobile, you will receive a notification informing you that the payee has not registered to receive Pay to Mobile payments and no payment will be made. We will not be liable to you or anyone else for any losses you suffer or losses you incur if you attempt to send a payment to a payee who is not registered to receive Pay to Mobile payments. Please note that you cannot make Future Dated Payments using Pay to Mobile.
- 22.19 Once you send a Pay to Mobile payment to a registered Pay to Mobile payee, you will receive an SMS message confirming that your Pay to Mobile payment has been sent from your

- registered Account. The registered Pay to Mobile payee will also receive a SMS message confirming that your Pay to Mobile instruction has been made to their registered Account.
- 22.20 We do not charge you for sending or receiving payments through Pay to Mobile (network charges may apply for using the Bank of Ireland App). Please see Clause 11 for further details on our charges generally.
- 22.21 You authorise us to disclose your mobile phone number when you use Pay to Mobile or when we process your request or display this information in messages sent to any payer or payee. We will use any information you provide to us in connection with sending or receiving Pay to Mobile payments only for the purposes of administering those payments and to contact you via your registered mobile phone number in relation to your Pay to Mobile payments.
- 22.22 Because Pay to Mobile can be used to make payments via the Bank of Ireland Mobile Banking App, you must keep your Mobile Device secure and not logged into the Bank of Ireland Mobile Banking App.
- 22.23 We will not be liable to you or anyone else for any losses you suffer or costs you incur because of circumstances beyond our reasonable control. For example:
- (a) you are unable to access or use Pay to Mobile;
 - (b) any device, hardware or software you use in connection with Pay to Mobile is damaged or corrupted or fails to work;
 - (c) you did not receive any SMS notifications in a timely manner for reasons beyond our control; or
 - (d) there is a temporary reduced level or failure to provide any Service caused by any third party service providers including software providers and mobile operators.
- 22.24 Minimum and maximum transaction and daily limits apply to the amount you can send or receive using Pay to Mobile. We can change these limits at any time. Details of the current limits are available when you use the Pay to Mobile service.
- 22.25 We keep a record when you register to make Pay to Mobile payments and when you instruct us about this type of payment. We may give our records as evidence of your registration or instruction in any way the law allows for. You agree we can assume any registration or instruction comes from you where the Services have been accessed using Security Credentials, whether you use them or, someone else uses them where you have allowed them to do that, despite the rules in these terms and conditions which tell you not to share your Security Credentials.
- 22.26 You cannot use the Pay to Mobile service to transfer money from any loan or credit card account you have with us or one of our subsidiaries.

23.0 Digital Financial Wellbeing

Tools alerts and insights are not financial advice or recommendations.

- 23.1 We provide a range of digital financial wellbeing services through Digital Banking. These digital financial wellbeing services include financial tools, alerts or insights based on your Account activity. These tools, alerts and insights are provided for information purposes only and do not represent financial advice or recommendations.
- 23.2 To provide digital financial wellbeing services, we need to monitor and analyse your Accounts. Using your Account information, we can identify transactions or activities (for example, recurring payments, low balances, upcoming bills or spending patterns) and provide you with insights or alerts to help you manage your finances. These tools, insights and alerts will be displayed to you through Digital Banking. We may also in the future, send you alerts (including using Push Notifications) to make you aware of these tools and insights.
- 23.3 If we send you alerts or present you with insights, we cannot guarantee that you will always receive those alerts or insights or that you will receive them in a timely manner relevant to the information for every alert or insight that is generated. Alerts may not be sent or insights may not be presented on a “real time” basis and may instead be sent at the next scheduled delivery time and you should therefore not treat all alerts or insights as providing “real time” information in relation to your account.
- 23.4 The insights and alerts we may provide to you are for information purposes only based on your transaction history and do not comprise advice or recommendations. Any information that we provide through insights or alerts is designed to help you improve your digital financial wellbeing. It is not financial, professional, legal or tax advice and you should seek your own independent advice on these matters.
- 23.5 To be able to use digital financial wellbeing services:
- (a) You must be registered for Digital Banking and use the most up-to-date security software and version of the Bank of Ireland App or website browser; and
 - (b) You must be a personal banking Accountholder. Digital financial wellbeing service are not currently available for business banking or corporate customers.
- 23.6 Digital financial wellbeing services may not be able to provide insights or alerts for all accounts or customers. More detailed information on the accounts which can be included in digital financial wellbeing services or any exclusions, are available on our website. Currently, the following are excluded from digital financial wellbeing services:
- (a) The details provided to you in an insight or alert do not include in progress transactions;

- (b) Additional Cardholders will not have transactions carried out using an additional card included in their insights or alerts; and
- (c) Where you have accounts with us in more than one jurisdiction, insights or alerts will only be served on your primary account.

If you have multiple current accounts with us, insights or alerts will be served on your accounts on a combined basis.

24.0 Zippay

- 24.1 Clauses 24-35 relate to the use of Zippay, and supplement the General Terms. Clauses 24-35 will only apply when Zippay is made available to you (we will let you know when it is available).
- 24.2 Zippay is a service available on a mobile phone through the Bank of Ireland App that allows you to send money to anyone with a Zippay registered account using their mobile phone number (as opposed to their IBAN) to identify them. Zippay also allows you to receive money from other people who are able to use Zippay using only your Registered Mobile Phone Number to identify you.
- 24.3 To be eligible for the Zippay service you must have an Eligible Zippay Account and have authenticated your Registered Mobile Phone Number. An Eligible Zippay Account means a Republic of Ireland personal current account that you hold with us (excluding a Smart Start Account) which we consider active, where:
 - (a) the Accountholder is 16 years or older and has access to and the use of the Bank of Ireland App;
 - (b) the Account is active for Digital Banking;
 - (c) the Accountholder has not opted out of Zippay;
 - (d) we have sufficient data to commence registration for Zippay (as outlined in Clauses 25 to 27 below);
 - (e) in the case of Joint Accounts, a single Accountholder's consent is needed to withdraw money from the Account; and
 - (f) in the case of a Registered Mobile Phone Number which is linked to more than one Digital Banking profile, the owner of only one Digital Banking profile will be eligible (as set out in Clause 25.3 below).

25.0 Automatic Registration for Zippay

- 25.1 Unless we have otherwise agreed with you, or where a Registered Mobile Number is linked to more than one Digital Banking profile, when you register a Registered Device with us: (a) your Registered Mobile Phone Number; and (b) your Zippay Nominated Account details are automatically registered for the Zippay service. If you do not wish for us to register these details for the use of Zippay you must opt out. We tell you more about how this opt out process works in Clause 27 (Deregistration from Zippay). You can find information on

how we process personal data for Zippay in our Data Privacy Notice available on www.bankofireland.com.

25.2 When we automatically register your Zippay Nominated Account and your Registered Mobile Phone Number, we will do so on a database operated by our supplier on behalf of all Zippay Participants. Please see our FAQs at boi.com/zippay for further information.

25.3 If your Registered Mobile Phone Number is linked to more than one Digital Banking profile (for example if your child or parent has used the same mobile phone number to set up their Digital Banking profile), we may not register you automatically for the Zippay service. We may allow you to opt in to the Zippay service.

IMPORTANT TO NOTE: If you are registered for the Zippay service, but the other person using the Registered Mobile Phone Number has more recently proved possession of the mobile phone number (for example by completing verification through the Bank of Ireland App), you may be removed from the Zippay service, and that other person using the Registered Mobile Phone Number may be registered by us for the Zippay service. Payments through Zippay will then go to the Zippay Nominated Account of that person. If that happens, and you want to use Zippay, you will need to request that the other person opts out of the Zippay service before you can opt in. It also could mean that money that you expected to receive is instead paid to another account that does not belong to you. If we are notified of a dispute between you and any person using the Registered Mobile Phone Number we may decide to restrict you or the other person from using the Zippay service either temporarily or permanently.

25.4 You can check the Bank of Ireland App to find out which of your accounts is registered as the Zippay Nominated Account. This Zippay Nominated Account will be the account that is registered for receiving Zippay payments from other payers. If you would like to change these details and select a different Zippay Nominated Account with Bank of Ireland you can do so on the Bank of Ireland App. If you would like to select an account provided by another Zippay Participant you must follow that Zippay Participant's procedure for selecting that account. If the account that is registered for Zippay is with another Zippay Participant, and you want to select a Zippay Nominated Account with Bank of Ireland, you can do so on the Bank of Ireland App.

25.5 You must tell us immediately if you change your Registered Mobile Phone Number. You can do this by phoning our contact centre or by following our instructions through 365 online/the Bank of Ireland App where that option is available. If you change your Registered Mobile Phone Number and do not tell us immediately there is a risk that you may not be able to make payments using the Zippay service or receive payments to your Zippay Nominated Account. That could

mean that money that you expected to receive is instead paid to another account that does not belong to you.

- 25.6 We will not be responsible for any losses caused or to refund you for any payments that you did not receive due to your failure to tell us about a change of your Registered Mobile Phone Number.

26.0 How Zippay Works

- 26.1 Once you are registered by us to use the Zippay service, payers will be able to make payments to your Zippay Nominated Account using your Registered Mobile Phone Number, and those payers will not need to include the IBAN of your Zippay Nominated Account to make a payment to you.
- 26.2 Your Zippay Nominated Account means the Bank of Ireland Account in Euro held by you that is an Eligible Zippay Account that we have registered to receive payments made through Zippay. Where you have more than one account either with us or with another Zippay Participant, an account will be selected that is deemed to be most appropriate based on account type and usage, however you can change this at any time. This means that in certain circumstances the account that is registered for Zippay may be one that is provided by another Zippay Participant and not Bank of Ireland. If that is the case these terms and conditions will not apply to that other account in relation to the provision of the Zippay service.
- 26.3 Once we have registered your details for the Zippay service, and unless you opt-out, those details can be used by other Zippay Participants and their agents and customers but only for the purpose of sending payments to you or for processing payments that you are sending to someone else. You need to be aware that customers of other Zippay Participants will be able to see if your Registered Mobile Phone Number is registered on Zippay and make a payment into your Zippay Nominated Account.

27.0 Deregistration from the Zippay service

- 27.1 You can, at any time, ask us to deregister your Registered Mobile Phone Number from the Zippay service. You can do this through the Bank of Ireland App or such other ways which we will from time to time tell you about.
- 27.2 If your Zippay Nominated Account is closed, any Registered Mobile Phone Number will be deregistered by us from the Zippay service unless it is linked to another Zippay Nominated Account with us.
- 27.3 If you are in breach of any of your account terms and conditions or these terms and conditions we may deregister your Registered Mobile Phone Number from the database.
- 27.4 We may suspend or terminate your use of the Zippay service in a limited number of situations. We may do so for example:
- (a) if another person has proved possession of the Registered Mobile Phone Number as set out in Clause 25.3;

- (b) if we believe the registration details have been compromised, or we suspect fraud;
- (c) where we are aware of or suspect that the Zippay Nominated Account is being used for illegal activities, or is otherwise blocked in accordance with these terms and conditions, including for one of the reasons set out in Clause 17.3;
- (d) where there is a dispute about the ownership of the Registered Mobile Phone Number as set out in Clause 25.3; or
- (e) where the Zippay service is being used inappropriately – for example where abusive or inappropriate messages are being sent.

28.0 Sending Zippay Payments

- 28.1 Once you are registered for Zippay, you can make payments using the Zippay service through the Bank of Ireland App on your mobile phone by selecting the payee's mobile phone number from your contact list, entering the amount of the payment that you wish to send to the payee, and using your Security Credentials to consent to the transaction.
- 28.2 Before you can make a payment, you will need to give us permission to access your contacts that are stored in your mobile phone. By selecting a contact, you agree to the Bank of Ireland App accessing data in your Mobile Device address book.
- 28.3 You must ensure that the payee's mobile phone number is correct as we will not be responsible or liable if you send money to the wrong payee. Before you consent to a payment, we will let you know the masked name of the owner of the account linked to the mobile phone number you enter. For example, if you are paying "John Smith" we will let you know that "Jo** Smi**" owns the account. If the masked name does not match the person you intend to pay you should not consent to the payment. This is extremely important as where you consent to a transaction and send money to the wrong payee, while we will make every reasonable effort to recover any money involved in the transaction, we may not be able to recover all or any of that money. We may charge you for any reasonable costs that we have to pay when trying to recover these sums.
- 28.4 If the payee is not registered for Zippay, you will not be able to make a payment to them using the Zippay service. We will not be liable to you or anyone else for any losses that you incur if you attempt to send a payment to a payee who is not registered to receive Zippay payments.

29.0 Receiving Zippay Payments

- 29.1 You can receive Zippay payments to your Zippay Nominated Account if (a) your Zippay Nominated Account is registered for the Zippay service, (b) your use of Zippay has not been suspended or terminated by us; and (c) your Eligible Zippay Account remains your Zippay Nominated Account for the Zippay service.

Request Money

- 29.2 Zippay allows you to request a payment from another Zippay user using the “Request Money” feature. The process works as follows:
- (a) When you select the Request Money option in the Zippay service, you will be asked to select the person you want to receive money from using your contact list on your Mobile Device, or by manually typing their mobile phone number when using the Request Money feature;
 - (b) You must then select the amount you are requesting from the recipient and confirm the Request Money. You can also add a message with your Request Money if you so wish;
 - (c) Once a Request Money is sent the recipient will receive a message with your name, the message (if included), the amount requested and the option to either reject or pay the Request Money. If the recipient rejects the Request Money, no payment will be made by the recipient to you and you will receive a rejection notification. If a Request Money is not responded to immediately by the recipient, it will remain pending for a period of 30 calendar days after the date of receipt of the Request Money by the recipient, after which it will expire. You will need to resend the Request Money again if the Request Money expires;
 - (d) You can cancel a Request Money at any point before the recipient has rejected the Request Money or agreed to the Request Money or before the 30 calendar day expiration period;
 - (e) To make a payment in response to a Request Money from another user of Zippay, you will need to authorise that payment using the procedure we specify in the Bank of Ireland App and providing your Security Credentials when requested;
 - (f) It is not possible to amend the payee details or the amount of a payment in response to a Request Money. Therefore, you must make sure that the amount of the Request Money and the details of the person who sent you a Request Money are correct. Before you consent to a payment, we will let you know the name of the person who has sent the Request Money. If the

name does not match the person you intend to pay you should not consent to the payment. This is extremely important as where you consent to a transaction and send money to the wrong payee, while we will make every reasonable effort to recover any money involved in the transaction, we may not be able to recover all or any of that money. We may charge you for any reasonable costs that we have to pay when trying to recover these sums. If you want to pay a different person or a different amount, you will need to reject the Request Money and instead send a payment in a way you choose (using Zippay or otherwise);

- (g) You should only make a payment in response to a Request Money where you know what the payment is for;
- (h) You can block a contact from sending you a Request Money if you wish;
- (i) Restrictions apply on the number of active Request Money requests you can have.

Split a Payment

- 29.3 You can also use the Zippay service to split a payment (such as a bill). To do this select the 'Split a Payment' option in the Bank of Ireland App. You will be asked to select the people you want to split the payment with and you will have the option to split the payment evenly, or allocate how much each person is requested to pay. Each person will then receive an individual Request Money (as outlined in Clause 29.2 above) for the amount allocated. The maximum number of people who can be included in a Split a Payment is 30.

30.0 Things you need to know about using Zippay

- 30.1 Minimum and maximum transaction limits and maximum daily limits apply to the amount you can send using the Zippay service which may change from time to time. Details of the current limits are available when you use the Zippay service.
- 30.3 We keep records of when you register to make Zippay payments and when you instruct us about this type of payment. You agree that we may give our records as evidence of your registration or instruction in any way the law allows for. You also agree that we can assume any registration (where the registration is not automatic) or Instruction comes from you if your Security Credentials are used to register or give us an Instruction.
- 30.4 You can only use the Zippay service to send money from accounts which you can also make a SEPA Credit Transfer from on the Bank of Ireland App. For example, you cannot use the Zippay service to transfer money from any loan or credit card account you may have with us or any of our subsidiaries.
- 30.5 Zippay is limited to allowing you to make euro payments to, or receive euro payments from, other users of Zippay. All payment instructions received by us via Zippay are processed

in accordance with the relevant provisions of these terms and conditions and your account terms and conditions.

- 30.6 It is important that you make sure that you have sufficient funds in the account you select to make a payment from to cover any payments that you make using the Zippay service.
- 30.7 You should not use Zippay to put your Account in overdraft unless you have agreed an overdraft in writing with us beforehand.

31.0 Authorising Zippay Payments

- 31.1 Once an instruction to make a Zippay payment is received by us with the correct Security Credentials, you agree that we can act on it. You understand that we do not make any more security checks. You give your consent to the payment by providing us with the correct Security Credentials and you agree that, we can process (use) your personal data to obey your instruction and to give you the service.

32.0 Value Date Terms

- 32.1 When you use Zippay for payments, the balance (or any remaining balance of an agreed overdraft limit) on your Account will be reduced immediately by the amount of the Zippay payment. All Zippay payments made by you will be subject to the Zippay limits set out in these terms and conditions.
- 32.2 You cannot stop or cancel a Zippay payment once you have authorised the payment as the payment is executed immediately. Upon authorisation by you, the payment instruction is immediately sent to the payee's bank, which in turn credits the payee.
- 32.3 We will credit a Zippay payment arriving to your Zippay Nominated Account immediately upon receipt of the Zippay payment instruction from the Zippay Participant. The balance on your Zippay Nominated Account will usually be increased immediately by the amount of the Zippay payment.
- 32.4 Full details of Zippay payments that you receive or send through the Bank of Ireland App will only appear on your regular Account statement or eStatement we provide to you after it has been fully processed by us. However, a record of the Zippay payments generally appears immediately on Digital Banking, at ATMs and where available on statements which are printed using a branch statement printer.

33.0 Protecting your Security Credentials

- 33.1 You are responsible for protecting your Security Credentials when using Zippay and you must ensure that you protect them in line with the "Your Responsibilities" Clause (Clause 14) in these terms and conditions. If you do not do so, you may be liable in accordance with Clause 14 of these terms and conditions.

34.0 Fees and Charges

- 34.1 If we introduce fees or charges for Zippay in the future we will notify you in a way allowed by law or banking regulations.

35.0 Suspension and Termination

- 35.1 In addition to the reasons outlined in Clause 27.4, we reserve the right, for valid reasons, to suspend, terminate, modify or delete a Zippay Nominated Account from the Zippay service or restrict access to any part of the Zippay service.
