Demands and Needs

CEG underwrite policies and provides cover based on the customer's history and the information provided by the customer. We have identified your insurance demands and needs based on the questions we asked and the answers you gave relating to the specific insurance product and cover options selected.

CEG have not provided you with a personal recommendation. It is your responsibility to make sure that the policy is right for you.

There is a duty of care on the part of each customer to ensure that the information given is accurate and complete. Providing incorrect or incomplete information at the point of sale may result in cancellation of the policy and adversely affect the payment of a claim at a later date.

Default Policy

CEG provides cover to its customers on the strict understanding that all premiums due are paid in full and in advance unless otherwise stated.

It is important to understand that if you fail to make any payments within the required or agreed time CEG may be entitled to cancel cover, refuse to deal with any claims, restrict the cover offered, and/or require you to repay any arrears due or the balance of any monies yet to be paid.

Remuneration Arrangements

Chubb remunerate their appointed intermediaries by commission payments (details available upon request) for the work involved in placing an order and finalising the insurance policy on behalf of customers. Chubb may also pay intermediaries on the basis of profit share and other administrative or consultancy fees for providing services which seek to improve, facilitate and enhance the product or service provided to the customers.

Complaints Procedure

CEG is dedicated to providing a high quality service and wants to maintain this at all times. If you are not satisfied with our service, please contact us quoting your policy details so we can deal with your complaint as soon as possible. We have in place a written procedure for the effective consideration and handling of complaints. This procedure ensures that complaints will be recorded and acknowledged in writing within 5 business days of receipt.

All complaints will be fully investigated and the outcome of that investigation will be communicated to the complainant within 40 business days. CEG will provide you with a regular written update on the progress of our investigation at intervals of no greater than 20 business days. Should our investigation require longer than 40 business days to complete, we will write to you to explain why we have not finalised our investigation and indicate an anticipated timeframe. In the event that a customer remains unhappy having received our final response letter, the matter may be referred to the Financial Services and Pensions Ombudsman or Insurance Ireland. Making a referral to either of these organisations will not affect your right to take legal action at a later stage.
