

You should fill in this form if you plan to give someone a gift to help them buy a home.

(Please complete in **BLOCK CAPITALS**)

Important things to note:

1. Use this form if you are gifting money to someone who is borrowing a mortgage loan from us and using it and your gift to buy a home.
2. We need you to tell us that the money you are giving is an outright gift. We need to know this to ensure you don't expect the borrower to hold the gifted money on your behalf or in trust for you. (sometimes this is known as resulting or implied trust).
3. We need you to confirm that you will not have any form of ownership in the home that the mortgage loan borrower is buying.
4. We need you to confirm you are making the gift of your own free will and without any pressure, undue influence or duress. If you are concerned about this, do not sign this form. Speak first with your solicitor, financial advisor or another trusted person.
5. We need you to confirm your full name and address. This is a requirement under the law against money laundering and other crimes.
6. Sometimes we may need you to supply one or both of the following documents in addition to this form, if the mortgage loan offer letter says that you must supply them:
 - a) a Deed of Confirmation
 - b) a confirmation signed by your solicitor to confirm that you have been independently legally advised. (This confirmation can be found on the back of this form)
7. Please make sure that you can afford to give the gift. It should not cause you financial hardship, damage your financial wellbeing or interfere with financial planning for your future. Get independent legal or financial advice if you are uncertain about any of this.
8. You can sign this gift form in handwriting or, where we provide the means to do so, by electronic signature.

We strongly recommend you get independent legal or financial advice before making any gift to help a mortgage loan borrower buy a home.
