Valuation Reports

In order for us to validate Valuation Reports on first receipt, we ask that you fully review the reports where possible, prior to submission.

We recommend that the Report is cross-checked against Loan Offer to ensure accuracy of information submitted and that no information has been omitted.

Gift Form

Our most recent Gift Form was issued in 2021. It is noted that some older versions of the form may still be in circulation.

We have attached our most recent version. This is also available on our broker website under the 'Toolkits' section.

Please ensure that you are using the correct version where a Gift applies and delete any locally saved out of date versions.
