

# Suitability Statement

## Important Notice – Statement of Suitability

This is an important document which sets out the reasons why the product(s) or service(s) offered or recommended is/are considered suitable, or the most suitable, for your particular needs, objectives and circumstances.

Thank you for your recent motor insurance application.

This document is a 'Statement of Suitability' that we must give you under the Consumer Protection Code 2012.

This is an important document; however, it does not imply approval of motor insurance by us.

When you own a Private Motor Car you are required by law under the Road Traffic Act 1961(as amended), to ensure that the vehicle is insured before it can be used in a public place. This Policy of Motor Insurance meets the requirements of the Road Traffic Act 1961 (as amended).

This product provides legal protection to you and cover for your vehicle, subject to the policy terms and conditions, and is comparable with other products available from the Insurance Market.

We believe that this product is suitable to satisfy your needs and objectives for insurance requirements based on the information you have provided us with. Furthermore, you have given us no information about your personal circumstance which would make us believe this product is not suitable for you.

Car Insurance is arranged by Bank of Ireland Insurance Services and underwritten exclusively by RSA Insurance Ireland DAC.
