Terms and conditions apply. Exit tax (up to 38% currently) applies to gains on life assurance investment policies. A Government levy (currently 1% of the premium amount) applies to all premiums paid to a life assurance policy.

While great care has been taken in its preparation, this information is of a general nature and should not be relied on in relation to specific issues without appropriate financial, insurance, investment or other professional advice. This content is for information purposes only and does not constitute an offer or recommendation to buy or sell any investment or to subscribe to any investment management or advisory service. In the event of any changes in taxation or legislation, New Ireland may amend the terms and conditions of the relevant contract to take account of any such changes. If there is any conflict between this document and the policy conditions, the policy conditions will apply.

iFunds may hold some assets directly, may invest in other funds that provide exposure to the assets or may invest in other collective investment vehicles, such as MGI Funds plc. Such collective investment vehicles provide exposure to other funds and can enable cost reductions due to size.
